

Principal for a Day – November 13-17, 2023

The Principal for a Day (PFAD) program is a joint venture between the Randolph County School System, Asheboro City Schools, Uwharrie Charter Academy, and the Asheboro-Randolph Chamber of Commerce.

During American Education Week (November 13-17), local business leaders visit schools to "shadow" the principal and experience a school day.

The PFAD program is designed to increase awareness and understanding among community members of the strengths and challenges of our schools, as well as form ongoing partnerships between community members and schools.

RCSS would like to thank these business leaders for participating in this program this week:

*Melody Varner with Heart of NC Visitors Bureau - Liberty Elementary

*Justin Macon with Pinnacle Financial Partners - Grays Chapel Elementary

*Jessie Benitez with Pinnacle Financial Partners - Southwestern Randolph Middle School

*Kevin Bowman with Liberty Leader & Learning Environments - Providence Grove High School

*Allie Hohn with McKenzie Real Estate - New Market Elementary School

*Hannah Smith with The Timken Company - Wheatmore Middle School
