ClassLink
More time learning. Less Time Logging in.

Single Sign-On technology allowing teachers and students access to everything they need with just one login!

Dear Parents,

FISD students will now be using ClassLink, a single sign-on platform that will allow teachers and students to use one username and password to access everything they need. Single sign-on is an essential tool for productive remote learning, and ClassLink will serve as your child's homebase for education, whether it's in the classroom or at home.

ClassLink can be accessed from either a computer or mobile device. Please follow the directions below to get started. ***www.frankstonisd.net → Online Learning for more information***.
