Parent Involvement Plan

Louisville Municipal School District is committed to the education of the children in our community. We feel parent involvement is an essential piece in ensuring that our students are successful in school. We believe that when parents are more involved in the academic process, school becomes more of a priority for their children. LMSD's motto is Every Child -- Every Chance -- Every Day. This expression is not only intended to be utilized within our school, but is something we hope resonates in our community. It is our mission to produce a community of lifelong learners. It is our pledge to maintain a good line of communication from school to homes and our goal to provide ample opportunities for parental involvement throughout each school year.

Title I regulations require that each school served under Title I jointly develop with and distribute to parents of participating children, a written parental involvement policy agreed on by the parents that describes the requirements outlined in Title I law.

A. POLICY INVOLVEMENT

- 1. Convene an annual meeting, at a convenient time, to which all parents of participating children shall be invited and encouraged to attend, to inform parents of their school's participation under this part and to explain the requirements of this part, and the right of the parents to be involved;**

Louisville Municipal School District holds an official parent/family meeting by the end of September each school year to review with parents Title I School requirements and the school's Parent Involvement Policy. In addition, the principal gives parents an update on school test data, adequate yearly progress status, and also facilitates a review of the school's title plan.

- 2. Offer a flexible number of meetings, such as meetings in the morning or evening, and may provide, with funds provided under this part,**

transportation, child care, or home visits, as such services relate to parental involvement;

Parents are invited to participate in a variety of meetings and activities over the course of the school year. An Open House is held in August to provide parents the opportunity to formally visit their child's classroom to become better informed about grade level expectation and their student's academic progress. The contents of our school's parent resource center is advertised frequently throughout the school year to highlight the various books, pamphlets, and DVDs available for home use or on campus resource. The center also includes a computer for parents to access Active Parent to monitor their child's progress. In order to meet the needs of our diverse group of parents, training on a multitude of topics are obtainable year round between the hours of 8:00 am and 7:00 pm. Formal trainings and workshops scheduled throughout the year are guided by parent input and survey data and vary in date and time.

Due to the hectic and varying schedules of our school family, effort will be made to provide training opportunities to parents via links on our school website making information accessible twenty four hours a day.

Parents will be invited to participate in a parent-teacher conference to discuss their child's progress. Teachers may receive parents in the morning, during the school day and/or afterschool to accommodate as many reciprocating parents as possible.

3. Involve parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of programs under this part, including planning, review, and improvement of the school parental involvement policy;

Our school annually invites parents to participate in review and revision meetings to examine and discuss our School Title Plan and Parent Involvement Policy. The school's parent council consistently reviews school policy in an organized, ongoing and timely way. An organized PTA has been established in our school to create a forum for parental input and involvement. Our PTA affiliation connects our school to parental involvement resources at the state and national level.

4. Provide parents of participating children timely information about

programs under this part; descriptions and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress and the proficiency levels students are expected to meet; and if requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any suggestion as soon as practically possible.

Our school communicates with parents often the state's curricular and assessment expectations, school wide requirements in relation to the delivery of instruction, the techniques utilized to evaluate student work, and individual classroom rituals and routines pertinent to the academic success of our students. We use a variety of communicative techniques such as our School Handbook, Classroom Newsletters, School Newsletters, School Website, Communication Folders, AIMS (phone call system), School Status, Parent/Teacher Conferences, MTSS Meetings, IEP Meetings, PTA meetings, School Council Meetings, individual notes/calls home, Family Fun Nights, Surveys, parent workshops, Open House, Mid-Term Progress Reports, Report Cards, benchmark results, fluency scores, universal screening reports, school sign, Winston County Journal coverage, etc. to solicit parent participation and deliver important information in hopes of creating productive dialogue between home and school concerning improved student achievement.

B. SHARED RESPONSIBILITIES FOR HIGH STUDENT ACADEMIC ACHIEVEMENT

As a component of the school-level parental involvement policy, each school shall jointly develop with parents for all children served under this part a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement.

The education of a student is not only the responsibility of the teacher, but also of the parent and the child. For this reason, a Parent-Teacher---Student Compact has been developed and is utilized in our school. This document serves as an agreement between all parties that they will adhere to certain duties and responsibilities to ensure the success of the student. It is reviewed and signed by all at the beginning of each school year. The signed compacts are kept by the teacher and used in student and parent conferences to remind each participant of their responsibilities. These compacts are also used to motivate students and parents to become more involved in the

educational process and to let parents know that they are equal partners in their child's learning.

C. BUILDING CAPACITY FOR INVOLVEMENT

To ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, each school and local educational agency assisted under this part.
