

Franklin County High School Alumni Association

Press Release

A group of Franklin County High School alumni are working together to develop a Franklin County High School Alumni Association, and we are looking for other alumni to join!

Not only will the Alumni Association bring together individuals who share a common bond of pride for FCHS, but it will provide opportunities for networking. Other benefits of being involved in this Alumni Association would include being informed of community, school, and school district events, as well as being an advocate to an institution that provides quality education. The Alumni Association is also a way for FCHS alumni to tell their story and stay connected. There are so many alumni that attribute their successes to FCHS, and we would be able to learn about their stories and share with them our community. Joining the FCHS Alumni Association would have a minimal membership fee (TBA), and this money would allow us to host an annual banquet for members. We also hope to hold fundraisers throughout the year for various causes, one such cause being providing scholarships to students.

An informational meeting will be held at the FCHS auditorium this Fall, so be on the lookout for that date! During this meeting, a Board of Officers will be elected. We are looking to have a President, Vice President, Secretary, Treasurer, and Membership Coordinator. Once our Board is selected we can create by-laws, membership requirements, set dates for meetings, plan fundraisers, and start making a difference in Franklin County!
