

PIAA COMPREHENSIVE INITIAL PRE-PARTICIPATION PHYSICAL EVALUATION

INITIAL EVALUATION: Prior to any student participating in Practices, Inter-School Practices, Scrimmages, and/or Contests, at any PIAA member school in any school year, the student is required to (1) complete a Comprehensive Initial Pre-Participation Physical Evaluation (CIPPE); and (2) have the appropriate person(s) complete the first six Sections of the CIPPE Form. Upon completion of Sections 1 and 2 by the parent/guardian; Sections 3, 4, and 5 by the student and parent/guardian; and Section 6 by an Authorized Medical Examiner (AME), those Sections must be turned in to the Principal, or the Principal's designee, of the student's school for retention by the school. The CIPPE may not be authorized earlier than June 1st and shall be effective, regardless of when performed during a school year, until the latter of the next May 31st or the conclusion of the spring sports season.

SUBSEQUENT SPORT(S) IN THE SAME SCHOOL YEAR: Following completion of a CIPPE, the same student seeking to participate in Practices, Inter-School Practices, Scrimmages, and/or Contests in subsequent sport(s) in the same school year, must complete Section 7 of this form and must turn in that Section to the Principal, or Principal's designee, of his or her school. The Principal, or the Principal's designee, will then determine whether Section 8 need be completed.

SECTION 2: CERTIFICATION OF PARENT/GUARDIAN

The student's parent/guardian must complete all parts of this form. born on A. I hereby give my consent for School on his/her last birthday, a student of who turned public school district, and a resident of the to participate in Practices, Inter-School Practices, Scrimmages, and/or Contests during the 20 - 20 school year in the sport(s) as indicated by my signature(s) following the name of the said sport(s) approved below. Signature of Parent Signature of Parent **Spring** Winter Signature of Parent Fall **Sports** or Guardian or Guardian **Sports** or Guardian **Sports** Baseball Basketball Cross Boys' Country Bowling Field Lacrosse Competitive Hockey Girls' Spirit Squad Football Lacrosse Girls' Softball Golf **Gymnastics** Boys' Rifle Soccer Tennis Swimming Girls' Track & Field and Diving Tennis (Outdoor) Track & Field Girls' Boys' (Indoor) Volleyball Volleyball Wrestling Water Other Polo Other Understanding of eligibility rules: I hereby acknowledge that I am familiar with the requirements of PIAA concerning the eligibility of students at PIAA member schools to participate in Inter-School Practices, Scrimmages, and/or Contests involving PIAA member schools. Such requirements, which are posted on the PIAA Web site at www.piaa.org, include, but are not necessarily limited to age, amateur status, school attendance, health, transfer from one school to another, season and out-of-season rules and regulations, semesters of attendance, seasons of sports participation, and academic performance. Parent's/Guardian's Signature ___ Disclosure of records needed to determine eligibility: To enable PIAA to determine whether the herein named student is eligible to participate in interscholastic athletics involving PIAA member schools, I hereby consent to the release to PIAA of any and all portions of school record files, beginning with the seventh grade, of the herein named student specifically including, without limiting the generality of the foregoing, birth and age records, name and residence address of parent(s) or guardian(s), residence address of the student, health records, academic work completed, grades received, and attendance data. Date / / Parent's/Guardian's Signature ___ Permission to use name, likeness, and athletic information: I consent to PIAA's use of the herein named student's name, likeness, and athletically related information in video broadcasts and re-broadcasts, webcasts and reports of Inter-School Practices, Scrimmages, and/or Contests, promotional literature of the Association, and other materials and releases related to interscholastic athletics. Date / /__ Parent's/Guardian's Signature Permission to administer emergency medical care: I consent for an emergency medical care provider to administer any emergency medical care deemed advisable to the welfare of the herein named student while the student is practicing for or participating in Inter-School Practices, Scrimmages, and/or Contests. Further, this authorization permits, if reasonable efforts to contact me have been unsuccessful, physicians to hospitalize, secure appropriate consultation, to order injections, anesthesia (local, general, or both) or surgery for the herein named student. I hereby agree to pay for physicians' and/or surgeons' fees, hospital charges, and related expenses for such emergency medical care. I further give permission to the school's athletic administration, coaches and medical staff to consult with the Authorized Medical Professional who executes Section 7 regarding a medical condition or injury to the herein named student. Date / Parent's/Guardian's Signature Confidentiality: The information on this CIPPE shall be treated as confidential by school personnel. It may be used by the school's athletic administration, coaches and medical staff to determine athletic eligibility, to identify medical conditions and injuries, and to promote safety and injury prevention. In the event of an emergency, the information contained in this CIPPE may be shared with emergency medical personnel. Information about an injury or medical condition will not be shared with the public or media without written consent of the parent(s) or guardian(s).

SECTION 3: UNDERSTANDING OF RISK OF CONCUSSION AND TRAUMATIC BRAIN INJURY

What is a concussion?

A concussion is a brain injury that:

- Is caused by a bump, blow, or jolt to the head or body.
- Can change the way a student's brain normally works.
- Can occur during Practices and/or Contests in any sport.
- Can happen even if a student has not lost consciousness.
- Can be serious even if a student has just been "dinged" or "had their bell rung."

All concussions are serious. A concussion can affect a student's ability to do schoolwork and other activities (such as playing video games, working on a computer, studying, driving, or exercising). Most students with a concussion get better, but it is important to give the concussed student's brain time to heal.

What are the symptoms of a concussion?

Concussions cannot be seen; however, in a potentially concussed student, one or more of the symptoms listed below may become apparent and/or that the student "doesn't feel right" soon after, a few days after, or even weeks after the injury.

- Headache or "pressure" in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Bothered by light or noise

- Feeling sluggish, hazy, foggy, or groggy
- Difficulty paying attention
- Memory problems
- Confusion

What should students do if they believe that they or someone else may have a concussion?

- Students feeling any of the symptoms set forth above should immediately tell their Coach and their parents. Also, if they notice any teammate evidencing such symptoms, they should immediately tell their Coach.
- The student should be evaluated. A licensed physician of medicine or osteopathic medicine (MD or DO), sufficiently familiar with current concussion management, should examine the student, determine whether the student has a concussion, and determine when the student is cleared to return to participate in interscholastic athletics.
- Concussed students should give themselves time to get better. If a student has sustained a concussion, the student's brain needs time to heal. While a concussed student's brain is still healing, that student is much more likely to have another concussion. Repeat concussions can increase the time it takes for an already concussed student to recover and may cause more damage to that student's brain. Such damage can have long term consequences. It is important that a concussed student rest and not return to play until the student receives permission from an MD or DO, sufficiently familiar with current concussion management, that the student is symptom-free.

How can students prevent a concussion? Every sport is different, but there are steps students can take to protect themselves.

 Use the proper sports equipment, including personal protective equipment. For equipment to properly protect a student, it must be:

The right equipment for the sport, position, or activity; Worn correctly and the correct size and fit; and Used every time the student Practices and/or competes.

- Follow the Coach's rules for safety and the rules of the sport.
- Practice good sportsmanship at all times.

If a student believes they may have a concussion: Don't hide it. Report it. Take time to recover.

I hereby acknowledge that I am familiar with the nature and risk of concussion and tra- participating in interscholastic athletics, including the risks associated with continuing to comp traumatic brain injury.	aumatic brai pete after a	n inju concu	ıry while ussion or

SECTION 4: UNDERSTANDING OF SUDDEN CARDIAC ARREST SYMPTOMS AND WARNING SIGNS

What is sudden cardiac arrest?

Sudden cardiac arrest (SCA) occurs when the heart suddenly and unexpectedly stops beating. When this happens blood stops flowing to the brain and other vital organs. SCA is NOT a heart attack. A heart attack may cause SCA, but they are not the same. A heart attack is caused by a blockage that stops the flow of blood to the heart. SCA is a malfunction in the heart's electrical system, causing the heart to suddenly stop beating.

How common is sudden cardiac arrest in the United States?

There are about 350,000 cardiac arrests that occur outside of hospitals each year. More than 10,000 individuals under the age of 25 die of SCA each year. SCA is the number one killer of student athletes and the leading cause of death on school campuses.

Are there warning signs?

Although SCA happens unexpectedly, some people may have signs or symptoms, such as

- Dizziness or lightheadedness when exercising;
- Fainting or passing out during or after exercising;
- Shortness of breath or difficulty breathing with exercise, that is not asthma related;
- Racing, skipped beats or fluttering heartbeat (palpitations)
- Fatigue (extreme or recent onset of tiredness)
- Weakness:
- Chest pains/pressure or tightness during or after exercise.

These symptoms can be unclear and confusing in athletes. Some may ignore the signs or think they are normal results off physical exhaustion. If the conditions that cause SCA are diagnosed and treated before a life-threatening event, sudden cardiac death can be prevented in many young athletes.

What are the risks of practicing or playing after experiencing these symptoms?

There are significant risks associated with continuing to practice or play after experiencing these symptoms. The symptoms might mean something is wrong and the athlete should be checked before returning to play. When the heart stops due to cardiac arrest, so does the blood that flows to the brain and other vital organs. Death or permanent brain damage can occur in just a few minutes. Most people who experience a SCA die from it; survival rates are below 10%.

Act 73 – Peyton's Law - Electrocardiogram testing for student athletes

The Act is intended to help keep student-athletes safe while practicing or playing by providing education about SCA and by requiring notification to parents that you can request, at your expense, an electrocardiogram (EKG or ECG) as part of the physical examination to help uncover hidden heart issues that can lead to SCA.

Why do heart conditions that put youth at risk go undetected?

- Up to 90 percent of underlying heart issues are missed when using only the history and physical exam;
- Most heart conditions that can lead to SCA are not detectable by listening to the heart with a stethoscope during a routine physical; and
- Often, youth don't report or recognize symptoms of a potential heart condition.

What is an electrocardiogram (EKG or ECG)?

An ECG/EKG is a quick, painless and noninvasive test that measures and records a moment in time of the heart's electrical activity. Small electrode patches are attached to the skin of your chest, arms and legs by a technician. An ECG/EKG provides information about the structure, function, rate and rhythm of the heart.

Why add an ECG/EKG to the physical examination?

Adding an ECG/EKG to the history and physical exam can suggest further testing or help identify up to two-thirds of heart conditions that can lead to SCA. An ECG/EKG can be ordered by your physician for screening for cardiovascular disease or for a variety of symptoms such as chest pain, palpitations, dizziness, fainting, or family history of heart disease.

- ECG/EKG screenings should be considered every 1-2 years because young hearts grow and change.
- ECG/EKG screenings may increase sensitivity for detection of undiagnosed cardiac disease but may not prevent SCA.
- ECG/EKG screenings with abnormal findings should be evaluated by trained physicians.
- If the ECG/EKG screening has abnormal findings, additional testing may need to be done (with associated cost and risk) before a diagnosis can be made, and may prevent the student from participating in sports for a short period of time until the testing is completed and more specific recommendations can be made.
- The ECG/EKG can have false positive findings, suggesting an abnormality that does not really exist (false positive findings occur less when ECG/EKGs are read by a medical practitioner proficient in ECG/EKG interpretation of children, adolescents and young athletes).
- ECGs/EKGs result in fewer false positives than simply using the current history and physical exam.

The American College of Cardiology/American Heart Association guidelines do not recommend an ECG or EKG in asymptomatic patients but do support local programs in which ECG or EKG can be applied with high-quality resources.

Removal from play/return to play

Any student-athlete who has signs or symptoms of SCA must be removed from play (which includes all athletic activity). The symptoms can happen before, during, or after activity.

Before returning to play, the athlete must be evaluated and cleared. Clearance to return to play must be in writing. The evaluation must be performed by a licensed physician, certified registered nurse practitioner, or cardiologist (heart doctor). The licensed physician or certified registered nurse practitioner may consult any other licensed or certified medical professionals.

SHIPPENSBURG AREA SCHOOL DISRICT STUDENT ATHLETE AND PARENT CONTRACT 2023-2024

STUDENT NAMESPORT
*** Required S= Student initials P= Parent initials
<u>Justification</u> : Participation in an extracurricular activity in the Shippensburg Area School District, Mid Penn Conference & PIAA is regarded as a privilege and should be treated accordingly. S P
PIAA Curriculum Requirements: Student Athletes must meet the requirements for the PIAA and the Shippensburg Area School District, which includes maintaining a passing grade in five credits/courses the previous semester. Grades are monitored weekly during each season as well as at the end of each marking period. S P
Rules of Conduct: Rules will apply at all times during the term of the season. Violations may include, but are not restricted to:
1. Use of Alcohol and/or Tobacco/Vaping. S P
2. Use of illegal or un-prescribed drugs or controlled substances. SP
3. Insubordination or the use of profanity to any coach, faculty, staff, administrator, sports
official, or any other individual. S P 4. Flagrant misconduct and misbehavior in school such as missing practice due to being assigned detention. S P
5. Misbehavior or misconduct in the community. SP
6. Maintaining scholastic eligibility as determined by the School District and PIAA. SP
7. Social Probation restrictions per Student Handbook. S P
8. Unsportsmanlike conduct. S P P P P P P P P P P P P P P P P P P
10. Miscellaneous problems that are detrimental to the morale, cohesion or character of the team. Violations of Rules on Conduct #1 or #2 will result in dismissal from the team. Violations of #3 through #9 will result in disciplinary action ranging from a conference to suspension to dismissal from the team. S
Mediation: The following sequence should be followed in attempting to resolve any misunderstandings
related to the administration of the program:
1. Athlete-Coach conference. S P
2. Parent(s) and Athlete-Coach conference. SP
3. Parent(s) and Athlete-Coach-Athletic Director and/or Assistant Principal/Principal conference. S
Athletic Fee: All athletes must pay a fee before the first competition. The fee for Middle School athletes is \$40
for the entire year. The fee for High School athletes is \$60. If you receive reduced lunch the fee is cut in half. If
you receive free lunch there is no fee. A student's lunch status must be shared with the athletic office by
completing the appropriate release form found in the supplement section of the Student Athlete Handbook or the
athletic office. S P P
Attendance Requirements: Student Athletes arriving to school after 9:00 a.m. without a doctor's note will
not be permitted to participate in any activity including practice, contests or etc. on that day. Additionally, any
student gone from school more than 1½ hours throughout the day without a doctor's note will not be permitted
to practice or play in a competition. Any extenuating circumstances must be approved by an administrator.
Students who are sent home by the school nurse shall be excused for that day and are not permitted to practice
or play in a competition. Cyber School students are expected to log-on and complete assignments every school
day.
S P

School Suspension and Expulsion: Suspension is defined as follows (Student Exclusion for Practice/Participation in Extra Curricular Activities). S P
Out of School Suspension (OSS): If a student has been assigned OSS, they may not participate from the time assigned until the day of the reentry to school. S P
<u>In-School Suspension (ISS):</u> If a student has been assigned ISS, they may not participate in the next school days activities after ISS is assigned and lasting the number of days assigned. SP
Grade Requirements: Students must meet the requirements for PIAA and Shippensburg Area School District. This includes the following academic eligibility requirements: High School — Take and maintain a passing grade in five units per week each week during the season of participation and each marking period. Since the Modified Block can be divided into eight units each day (one unit for skinny classes, two units for full blocks), a High School student athlete must be passing at least five units per week to be academically eligible. High School student athletes that are failing a course(s) during a weekly grade check are required to attend the After School Homework Help Sessions for the failing courses until they are passing all of their courses. Student athletes must have passed five (5) credits the previous year. Middle School — Middle School student athletes must adhere to the District eligibility requirements. Student athletes cannot be failing two classes each week during the season of participation. Student athletes must have passed six (6) courses the previous semester six (6) per year if prior to the beginning of the school year or new semester. Academic improvement is necessary prior to reinstatement. S P
Cyber Students participating in athletics are required to be enrolled in four courses during the season. Students must maintain required pacing in each course; no more than three assignments behind at any given time per course. Students will be ineligible for practice and play if they do not log into each course, every school day, if they are behind in one or more assignment for that course. Student failing more than one course, at the time of the weekly eligibility report (Friday at noon), are deemed ineligible for participation for the next week. Student athletes must report all courses upon entry into each course and maintain weekly contact with the Athletic Department.
Private Transportation: If there is a necessity for private travel to or from a game, the parent/guardian must make such a request in writing on the approved SASD Private Transportation Form to the Principal/Assistant Principal or Athletic Director at least two days prior to the trip, and receive written approval. These forms will be forwarded on to the coach prior to the trip. S P
<u>Uniforms:</u> Athletes are responsible for all uniforms and equipment that is issued to them. They must pay for any lost, damaged or stolen items. All student athletes shall wear the designated school uniform without modifications unless medically approved. Any item of apparel that calls attention to an individual or to separate from any other members of the team is prohibited under PIAA rules. All athletes will be required to attend a MANDATORY equipment return session as scheduled by the coach after the final season contest. Athletes who quit or are dismissed from the team prior to the end of the season must return their uniform(s) and equipment within 2 days. S P

Expectations of Parents/Guardians:

1.	Parents recognize that it is a privilege to attend and observe a contest and to demonstrate support for one's
	team and school athletics in general. P
2.	Parents will support the efforts of coaches to teach and implement sportsmanship standards. P
3.	We encourage parents to learn the rules of the game. Expand your understanding of their importance in
	controlling rough play and preventing any team from gaining an unfair advantage. P
4.	Parents understand that verbal harassment of opponent players, coaches and officials is strictly prohibited.
	Parents respect the integrity and decisions of the officials.
	P
5.	Parents join the school's administration and coaches in an effort to make sport citizenship a high priority.
	Parents should demonstrate positive sport citizenship in every aspect of attendance. P
6.	Parents respect opponent performances despite the outcome. They recognize that mistakes are sometimes
	made. Parents also recognize improvement and hard work.
	P
7.	Parents will respect that practices are especially important for the team, the players and the coaches.
	Parents are discouraged from attending practices. Practice time is critical to the success for each team.
	P
8.	Parents will respect that after tryouts coaches will discuss behavior type problems concerning your
	student-athlete, but will not discuss the issues of playing time, play calling, etc. P
Pla	ayers Pledge and Team Rules:
1.	The purpose of our team is to have each member acquire the sense of team, family and friends. I will put
	the team first after faith, family and school. I will treat each team member and the coaching staff as family.
	I will be a friend by being dependable, reliable and responsible to and for my teammates. S
	P 1 0 1 1 0 1 1 1 1 1 2 2 4 2 2 2 2 2 2 2 2 2 2 2 2
2.	If there are any problems or questions, I will see my coach first and if they are not available, see the
	captains and if they are not available, I will talk with a senior.
	S P I I I I I I I I I I I I I I I I I I
3.	I will display responsible behavior both in and away from competition. I will be in school and I will be
	on time for classes and ready to practice at the designated time. If I have an unexcused or missed practice
	the day before a game, I understand I may not play in the game the next day. SP
4.	If I am not in school the day following a game, I realize I may not play or may not start in the next game.

ō.	
0	S P I will display a great work ethic. S P
۶. 10	I will learn to play smart. S P
10.	I will put my team before myself. I understand that playing time is not guaranteed, but earned.
11.	S P
12	I will maintain a positive attitude at all times by lifting up my teammates and coaches. I will speak positive
14.	about teammates and coaches and will not join in or listen when others are criticizing my teammates and
	coaches. I can expect the same from my teammates and coaches. I can expect the same from my
	teammates and coaches.
	S P
13	I will maintain positive communication with my teammates, coaches, officials, administrators, teachers,
15.	fans and opponents. S P

14. I will learn and accept my role as a member of my team and the SASD Athletic Program. I will support my teammates in good and bad times. Whatever happens, good or bad, win or lose, we will do it together. S P
15. I will influence our opponents by doing the best that I am capable of, by communicating with my team
during games and by being aggressive. SP
17. I will follow all team rules. S P
18. I will limit all electronic device, (especially cell phones) use to emergency calls only during athletic activities. S P
19. I will follow good dietary and safety practices throughout the season.
S P
Any violations of the expectations and team rules for the players as listed above or other team rules listed here or established during the season will result in discipline. SP
As a Shippensburg Area School District student athlete you are expected to strive to excel both in the classroom and in your athletic endeavors. Your attitude in the classroom directly reflects your maturity in athletic competition. You will be expected to accept constructive feedback from your coaches while maintaining a positive attitude. In and out of competition behaviors that are detrimental to your coach, team and school will not be tolerated. You are expected to attend every practice, game or other team function as required. If you are unable to attend any of these events, you should personally contact your coach before the event occurs. You are expected to practice good nutritional habits. Only a healthy and well-conditioned athlete can make a contribution to a team and the SASD Athletic Program. All injuries should be reported immediately to your coach and the athletic trainer. S P
There are many benefits to this contract for the student athletes. There is power in numbers and the more student athletes that operate within the terms of this contract the more power and success the teams will have. Teammates will learn to look out for each other, to protect and comfort each other. Leadership will be provided and we will be successful both in and out of competition. Student athletes will acquire the tools to be successful in athletics and most important game of all, the game of life. S P
This contract was developed by the athletic director/coaches and approved by the administration to govern the student athletes participating in SASD athletic teams. The coaches are working to develop team unity that is very important in every sport and feel that these rules play an important role in that development. Both the student athlete and parent/guardian must sign and date the contract and return it to the coach before the student athlete may participate in that sport.
The Student Athlete Handbook is available online at www.shipk12.org . (Athletics tab). Any revised school policy throughout the year may supersede, modify or eliminate policies noted in this contract.
We have read, understand and will support this contract for the entire 2023-2024 school year.
