During this portion of the meeting, you may make comments about agenda and other items. This is an opportunity for residents of the District to provide information that you would like the Board to consider regarding a decision. We ask you limit your comments to 3 minutes. If you share a common topic with others, we encourage the use of a single spokesperson for the group. Out of respect for our staff, we request that your public comments focus on issues or policies and not people. The intention of the audience of citizens is for the Board to listen to you.
