Stepping into Memories...

2000 Leonine Dedication

The 2000 Leonine staff dedicates our millennium book to someone we consider the epitome of a teacher. She's funny, intelligent, talented, energetic, and compassionate to students and faculty alike. She works behind the scenes at most events for CHS students but never steps forward to take the limelight. Her creative flair has made Homecoming, Prom, the Top Cat Auction, and the Miss Leonine pageant memorable for CHS students for the past 15 years. As a teacher, she mothers us and cares about more than just our academic performance. She is always available with a sympathetic ear, a piece of advice, or just a shoulder to cry on. "Teacher" is not her only definition--she is mother, daughter, caregiver, graduate student, and friend. Mrs. Treadaway provides all of us with a role model to aspire to--a dedicated professional and a loving person.

Lou and I have been friends for years. She has such a good heart and there's always that little spark of mischief in her eyes! That's what makes being her friend so much fun!

- Melba Wilkins

"Homecoming and Prom just wouldn't be the same without the 'magic' touch of Mrs. Treadaway."

- Stephanie Deese

Mrs. Lou Treadaway

“

Mrs. Treadaway has taken on most of the social events here at Central. I always know that these events are in good hands because she makes them something special for our students.

- Mr. Cowart, Principal

”

Stepping into ...

friendships that last

We have been best friends since the good ol' days of The Learning Tree. During middle school, we rode to school together every morning, after we'd stopped at Chick-fil-A for breakfast. When we both reached the big "1-6" we were nervous about parallel parking for our driving test, so we practiced in the driveway with a Rubbermaid trash can as one boundary and Scarlet's dad as the other! We plan on going to SUWG together and always being BEST FRIENDS!

- Scarlet Robinson & Christina Shinn

We have been best friends since 5th grade. We have stood up for each other and by each other's side. We will definitely be friends forever.

- Lindy Johnson
& April Wieck

Lacie and I have been best friends since the 8th grade. We met on a youth retreat in Orlando, Florida when we rededicated our lives to Christ. We have been through many ups and downs, and through many different groups of friends, but through the it all, we have always stuck beside each other.

- Laurie Gillis & Lacie Todd

Josh Pascal & Kim Neuman

Josh and I met in '97-98. It was my sophomore year and his freshman year. His sister introduced us in band class. We started off as friends and talked a little, but over the summer we lost touch. We met again at band camp where things started off good and we talked more and more. Then one day we were on a band trip and Josh complained the whole way there. When we finally stopped at Burger King, I slapped him across the face in front of everyone. He was so mad! After that we hit it off and have been best friends and a couple ever since.

I've moved around a lot and it usually takes me a while to make new friends, but when Linda and I met, it was like we had known each other all our lives! We kid our mothers that we are really twins separated at birth!!! She is my BESTEST friend and the SISTER I never had.

- Mrs. Ledford & Mrs. Morris

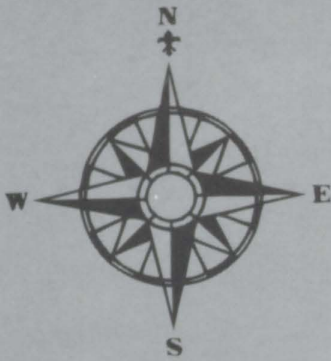

Throughout our 14 years of friendship, we have made many fun memories. Through the good times and bad it has been the "little things" that have helped us remain the best of friends.

-Chasity Walker and Kelly Johnson

P.S. Best Friends 4-ever!

Stepping from

This year we added a couple of new faces to Central High School. They have brought a variety of cultures, language, and experiences to our CHS family. Their new talents, new look, and new sense of courage and adventure have set a challenging example to us all. They have come from all over the world, ranging from China to the Czech Republic. The fact that they have left their homes to travel thousands of miles to practice the concept of multiculturalism is an admirable feat for a teenager.

Wang Jia-ni, affectionately known to us as "Kikki," came to Central this year from China. Born in Shanghai, Kikki has studied English for 8 years and plans on returning to the USA to study at the University of Georgia after a visit home this summer. Kikki lived with Tai Ownby's family during her stay here and attended the CHS Prom and participated in the Class of 2000 graduation exercises. Kikki left us with the following words, "Teachers and friends here are all patient and friendly so I was able to cross over the culture shock pretty easily. I have had so many 'firsts' here. I enjoyed this special experience and will remember Central all my life."

Tereza Posepna came to Central from Hradel Kralove (near Prague) in the Czech Republic. Tereza had studied English for 6 years and thought that coming to school in the U.S. would be a great way to improve her language skills. Tereza's biggest adjustments were living in a small town and doing without ballroom dancing; she and her boyfriend were competitive dancers back home. Tereza returned home in June and will finish her studies so she can graduate next year.

The gang at Edinburgh Castle.

Cawanna, Jennifer, and Wendy in the Bloody Tower.

Three of our own students also became world travelers after school ended in June. Jennifer McElwaney, Cawanna Reeves, and Wendy Fordham traveled to Scotland and England with Mrs. Morris and Mrs. Ledford. The group visited Edinburgh Castle in Edinburgh, Scotland; the cathedral of the walled city of York; Hadrian's Wall; Shakespeare's home town of Stratford-on-Avon; the colleges of Oxford; Buckingham Palace, Westminster Abbey, and the Tower in London (along with some shopping at the famous Harrods!); the ancient Roman ruins in Bath; and Stonehenge. In addition to the "tourist thing," the group also got to experience lots of local flavor in countryside villages and townships.

new spaces

“

What a great addition to our band program! Our students are excited about its state-of-the-art-design and I'm excited about the office space ... so is Mrs. Erwin! - Mr. Ruby

”

“

We are really excited about moving out of "Trailorville" and into these new facilities. The new classrooms and labs are a real step forward in meeting our students' needs in the new century.

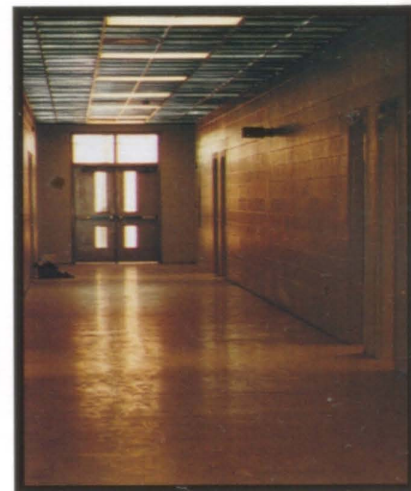

- Mr. Cowart

A TRIBUTE TO *Scott Cowart*

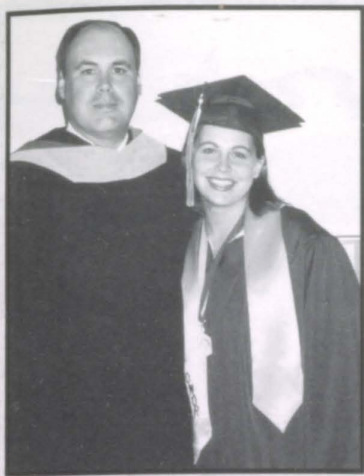

Family Man, Coach, Principal -- these labels only begin to tell the story of Scott Cowart. His strong sense of right and wrong, his easy smile, and his competitive spirit have guided Central High School into the premier Carroll County high school. Central has never been just a school for Mr. Cowart--it has been his life. For the Class of 2000 he has always been there when we needed him, sometimes as mentor, sometimes as disciplinarian, sometimes as surrogate father, but always as friend. Even though he will not physically be with us any longer, his presence will always be felt within these walls because the pride and spirit of Central High School IS Scott Cowart.

Central Cross country had a tremendous season. They had some old and new faces this year but everyone came together as a team and competed. Central was competitive in every meet this year behind the senior leadership of Clay DeMore and Avery Jackson, with Jeff Burks, Ben Ginther, and James Layton rounding out the top five. The boys added their first regional championship to an impressive season along with a seventh place finish at state. While the girls, led by sophomore Katie Chewning, had a good season as well. Katie Skinner, Krystal Smith, Marissa Harris, and Kelly Johnson rounded out the top five. Katie Chewning also added a berth in the state meet by placing sixth in the region.

Central cross country achieved new heights; old records were broken and new ones were set. We got our 1st Region championship and this team set the tone for the future.

The 1999 Central Lionettes Varsity Softball team had a wonderful season. They ended the year 5th in their region, with a record of 7 wins and 7 losses. The inaugural fast-pitch season was a complete success. The Lionettes almost continued to the state tournament but unfortunately lost to Bremen after defeating them once previously. The additions to the field, such as the batting cage, concession stand, and various other stations aided the Lionettes in their outstanding season. Throughout the season the Lionettes stuck together with the seniors leading them the entire way.

“ We had a good season for it to have been our first year of fast-pitch. We came close to advancing in the state tournament. The seniors showed superb leadership. I can only hope that next year's seniors can fill their shoes.”

The Junior Varsity Lionettes had an amazing season! They were undefeated during their first year of high school fast-pitch softball. They took home a first place trophy in their own hosted J.V. tournament.

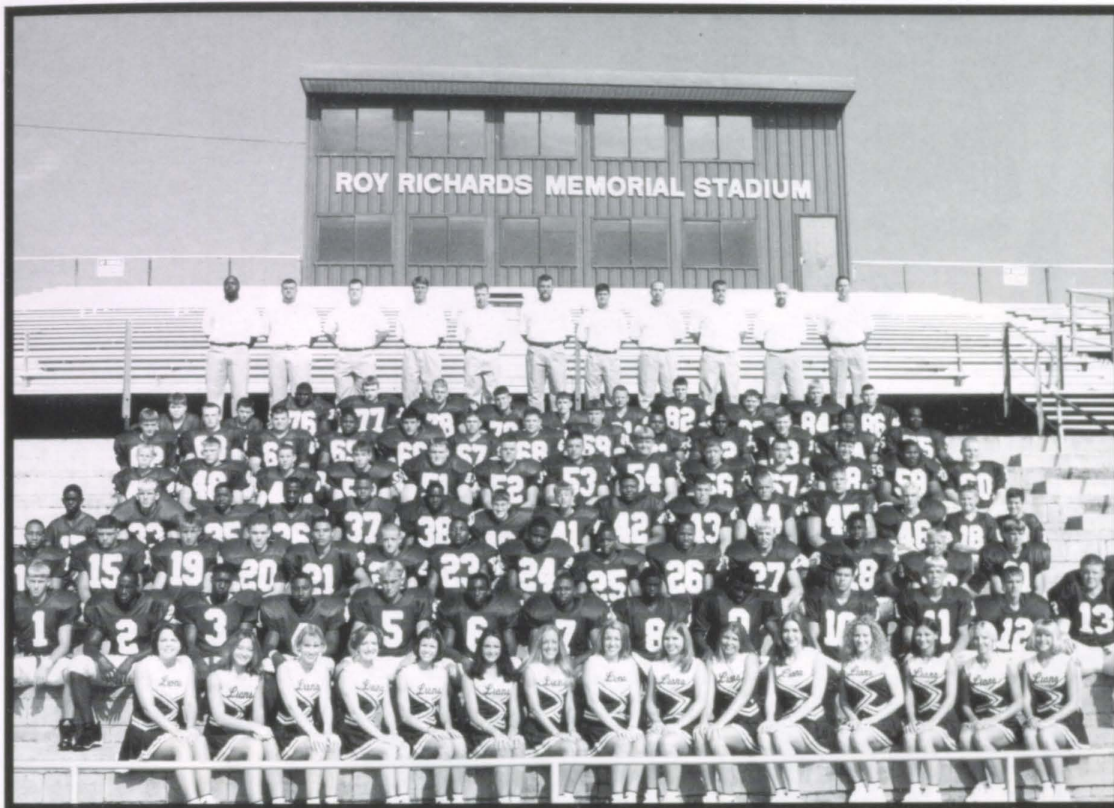

The team consisted of 1 junior, 5 sophomores, 1 freshman, and 6 eighth graders. These girls are fired up and ready to move up to the 2000 Varsity softball team. They have proved that age is not a factor in the game of softball!

Lion Pride is Forever

The 1999 Lion Football Team

Bill Bailey, Head Coach

1999 Lion Coaching Staff

Luck comes in two ways – good and bad. The Lions had their share of bad luck this year. Losing two close subregion games, one to Pepperell (27-20 in overtime) and a heartbreaker to Dade County (13-12). Even with this bad luck the Lions had the good luck of finding new, youthful, and upcoming talent.

The Lions' split season does not reflect the winning attitude of this team. The 1999 Lions played with the heart of a champion and now begin building the foundation for the 2000 season.

"Our senior class was one of a very few to never have a losing season in their four years at Central. We want to pass the torch on to the juniors, so they can carry on the Lion Tradition. Lion Pride is Forever."

The 1999-2000 Varsity Lionettes finished the season with an overall record of 10 wins and 12 losses. Despite their losing season, these girls maintained a positive attitude throughout the year. This year's group of seniors was small but they had an impact on the team. Their leadership kept the girls together as a family. The "hustle" that these ladies put forth places them on top, despite what their record shows. Great things are to be expected from the rising seniors and the younger ladies coming up.

These SENIORS showed EXCELLENT leadership for their teammates, and kept the "family" together.

The young Lion's wrestling team took the toughest schedule in school history. The Lion's finished the season with a 14-10 dual meet record. They also placed third at the North Springs tournament and third at the Area Duals. Although the Lion's were young, they were lead by two outstanding senior's - Avery Jackson and Nick D'Alessandro. Avery was a first year suprise finishing eighth in state, while Nick was his usual self. Nick ended his season with a 35-2 record and ended his lion career setting a school record of 160-22. Along the way he set many other records and capped off his career with a third in state finish.

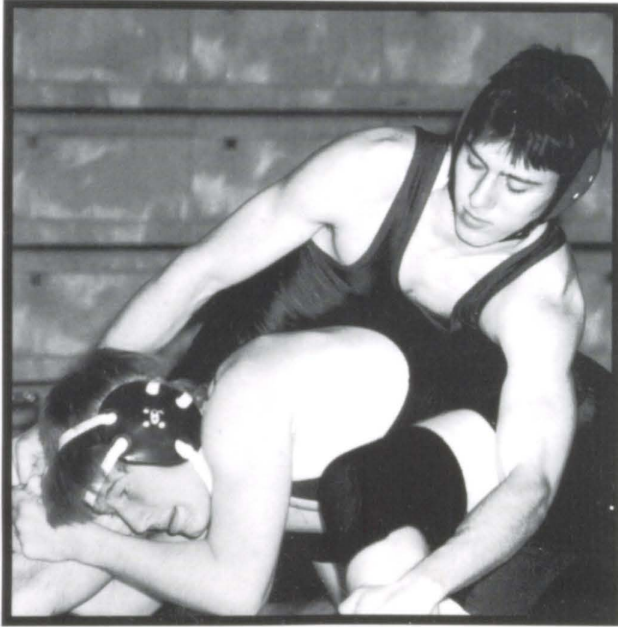

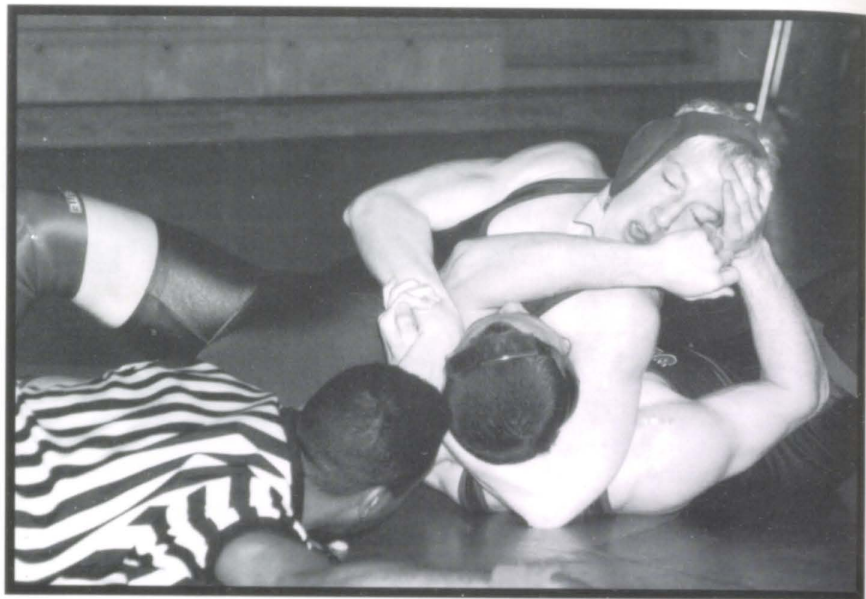

Nick's legacy will live a long time at Central, and his records appear to be insurmountable.

This year's soccer team was such a pleasure to work with. We had 10 girls to play this year, and will have a separate girls squad next season. Our players this year were great competitors and not shy about voicing their opinions.

The team benefitted from excellent coaching and conditioning from Coach Todd Prater and volunteer Rick Gordon. Overall, I enjoyed being a part of this team and appreciate their support, especially that from Captain Daniel Bagwell.

The Central Lions entered the 2000 baseball season with high expectations. The high expectations were warranted considering the Lions had their most successful summer in Coach Kay's tenure. Highlights of the season included an 8-game winning streak which lasted from Saturday, March 4th to Saturday, March 18th. At the plate the Lions were led by Seniors Jeremy Shadrix and Joe Patrick. Juniors Brandon Sheffield and Michael Collins and Sophomore Jake Norton also hit well throughout the year. The two aces of the pitching staff, Jonathan Stamps and Jarrod Cook, pitched extremely well for the Lions. The Lions entered the Sub-Region Playoffs as the #2 seed from the South of Region 6AA. After two losses at Cedartown the season came to an end. Not only were the losses the end of the season, but they were also the final games of the disciplined and hard-working class of seniors. With many key players returning the Lions look to make a run for the championship in 2001.

Tracking the Lions' Success

Both boys and girls golf teams had a great season this year. The girls, in an inaugural season, played perfectly, finishing the season with a 15-0 record. To cap off their record, Kati Neece had a hole in one and the team finished second in Region 6AA.

The boys went 10-4-1 on the season and finished fourth in Region 6AA. Expectations are high for next season. After this season's performance and with all team members returning in 2001, the boys should make a run for the region championship next year.

Jessica,

This year has been filled with many mixed emotions. My little girl has grown into a wonderful young lady. I am very proud of you and most of all the inner beauty which radiates in your each and every smile.

As you begin life's journey please know the journey is not one which has to be taken alone. No matter how far miles take away you will never be alone. I will always be there for you.

I say "Thanks!" for allowing motherhood to be this most incredibly wonderful experience of my life. You have made my life complete. You are the wind beneath my wings!

are set free by your imagination,
you can achieve any goal.*

accept it gracefully.
You can learn much from those

The art is in the believing, then making it happen.
You can read it all in the body language,
recognizing a true athlete by his motion.
His body moves as smoothly as a well-oiled machine,
The strength and finesse appear natural, not forced.
And the love of the game ... it comes from the heart
where all truly creative art is formed.
