Advisory Board/School Council Minutes April 29, 2025

The Advisory Board/School Council met on 4-29-2025. Dr. Rush reported the following:

LRPS had its third and final School Improvement (SIP) visit from the Central office, and it went very well. LRPS scored a proficient rating for the year.

Dr. Rush provided a list of teachers leaving LRPS due to retirement, moving out of district...etc. She also shared the new hires with the advisory board. For the 2025-2026 school year, vacancies have been filled to complete slots from PK-2nd grade.

Dr. Rush shared that the custodial position has been filled, but there are still two vacancies. A lunchroom monitor is needed, which is a part-time position. The school also needs a Family Engagement Liaison, which was recently posted on the hcbe website.

A Family Engagement Liaison is needed because LRPS will be a Title 1 school for the 2025-2026 school year. Dr. Rush shared that schools obtain Title 1 status when they require additional federal funding to help improve the academic achievement of low-income students. Applications for this position will be reviewed, and interviews will be conducted in the coming weeks.

LRPS is gaining a Computer Science teacher for the 2025-2026 school year. This teacher will be part of the specials team, so LRPS will be on a 4-day rotation schedule. There will be both computer science and STEM instruction in this position.
