

**ATHLETIC UPDATE:**  
**WEEK 9 / 10-6-22**

Hello,

**Football:** Overall Record 2-5. Lost to Morro Bay 34-22. Hopes of a playoff run will depend on the outcome of this Friday's game vs. Cabrillo @ Lompoc High school 7pm.

**Water Polo Boys:** Overall Record 0-9. The boys play in the Panther classic this weekend.

**Water Polo Girls:** Overall Record 2-14. Lost to Lompoc 12-8. Blame the AD for messing up the Start time.

**Tennis Girls:** Slow but steady progress building the program. The girls have great attitudes and are developing, looking to the future as a more competitive team.

**Girls Golf:** Coach shared an update earlier. The season has been a positive one except for the schedule changes which have caused students to miss more classes than we all would like.

**Girls Volleyball:** Overall Record 0-11. Lost to a good Righetti team last night. The record does not indicate the progress and joy this program is having this season.

**Cross Country:** Off this week but will run in the Nipomo invitational next weekend.

Santa Maria high school now has streamlined capabilities. You can watch games from home. For example, Grandparents can now watch their Grandchild play from any place with internet access.

Go to this link and subscribe. The cost is minimal.
