

Autaugaville School

Vision

The vision of Autaugaville School is Leading Today...
Learning Tomorrow

Mission

Our mission is to provide excellent educational experiences for all students to be successful in life.

Beliefs

We believe all students can learn given equitable opportunities. It is our responsibility to prepare students for the future and provide a safe and secure learning environment.

Curriculum & Instruction

Objectives

- Implement strategic teaching and instructional rigor at all grade levels
- Provide curriculum and instruction that inspires and engages all students
- Prepare and support teachers and leaders to graduate College and Career Ready students

Critical Initiatives

- Strategic Lesson Plans-Teachers will use evidence based instructional strategies utilizing a variety of resources.
- Teachers will post clear, student friendly objectives/concepts in the classroom
- Teachers will provide explicit & systematic differentiated

School Culture & Climate

Objectives

- Collaborate to implement a shared vision
- Implement Positive Behavior Interventions & Supports to create a safe & effective school environment

Critical Initiatives

- Implement a school-wide discipline plan
- Establish high expectations and a positive school climate
- Provide PBIS celebrations, rewards, and incentives to promote positive character and behavior.

Attendance

Objectives

- Provide professional development on attendance and its impact on student achievement
- Develop and implement a school-wide plan outlining the impact of attendance on academic success
- Address specific attendance issues (absences, tardies, etc.)

Critical Initiatives

- Focus on proven universal strategies - building positive culture, welcoming environment, engaging instruction
- Provide rewards and incentives
- Communicate with parents and students on the importance of daily attendance.

Critical Initiatives

instruction/intervention in whole and small groups daily.

- Teachers will design student centered lessons using manipulatives and hands-on learning across the curriculum.
- Teachers will utilize new technologies to reinforce and improve instruction.
- Teachers will participate in quality professional development on research based best practices to implement in their lessons.
- Secondary and Special Education teachers will participate in monthly across the curriculum planning sessions to collaborate on successful strategies to improve student achievement.

Critical Initiatives

- Provide support for social and emotional learning for all students.

Critical Initiatives

- Create a floor plan which provides students with smooth and easy flow of direction.
- Clearly mark and display all key areas in the building which would maximize the amount of time locating spaces within said timeframe.
