- b. The local method used to distribute federal and state funds to the SELPA RLA/AU and to LEAs within the SELPA: [EC 56205(a)12(D) (ii)(II); EC 56195.7(i)]

All funds flow from the State directly to the North Santa Cruz County SELPA AU, which is the Santa Cruz County Office of Education. The SELPA AU, in turn, allocates the funds to SELPA-member Local Education Agencies according to the SELPA AB602 Fiscal Allocation Plan. The Allocation Plan has been adopted by the SECA and shall be reviewed at least annually. The model distributes all funds pursuant to applicable state and federal regulations.

The SECA has designated the SCCOE as the AU for the SELPA. The AU is the SELPA's fiscal agent and is responsible for receipt and distribution of special education funds for the operation of special education programs and services, pursuant to state and federal law.

The RLA/AU shall establish appropriate record keeping procedures to be followed by each LEA for purposes of maintaining accurate fiscal and accounting records in accordance with state and federal requirements and submit required reports to the appropriate authorities.

Funding for regionalized programs and services are funded first, then LEAs receive state and federal funding for special education in accordance with the SELPA AB602 funding allocation plan. Regionalized programs and services include, but aren't limited to: county operated programs, SELPA office and administration costs, special education student information system costs, and pooled funds for a variety of purposes outlined in the AB602 allocation plan. LEAs are responsible for all costs incurred in the provision of special education and related services, including but not limited to: instruction, services, transportation, nonpublic school/ agency placements, inter/intra SELPA placements, due process proceedings, complaints and attorney fees.

LEAs document that all state and federal special education funds apportioned are used for the sole purpose of providing special education instruction and/or related services to identified students with disabilities. LEAs return any special education apportionment not used solely for the purpose of providing special education instruction and/or related services to identified students with disabilities to be recaptured by the SELPA for reallocation to other LEAs. In addition, each LEA acknowledges the obligation to maintain the level of general fund contribution towards the provision of special education services at a level equal to or greater than that of the prior year (Maintenance of Effort), in compliance with state and federal mandates.

The SELPA Director, along with an advisory committee made up of representatives from the member LEAs consisting of superintendents, chief business officials, and special education administrators representing the small, medium, large and charter LEAs review the AB602 fiscal allocation plan, analyze any impact, and make recommendations to the SECA for any amendments to AB602.

In cooperation with the California Department of Education, the SELPA Director provides information to ensure that all special education students receive due process of law.

The SELPA Director maintains interagency agreements with San Andreas Regional Center, California Children's Services, Head Start, Encompass, and others as needed to ensure a full range of special education programs and services. Local Educational Agency (LEA):

Board policy of each LEA member of the North Santa Cruz County SELPA shall indicate that the LEA is responsible for educating children with disabilities in the least restrictive environment. Placement in special education programs or services occurs only when the nature or severity of the disability is such that the child's education, even with the use of modifications of the general education program or use of supplementary aids or programs, cannot be achieved satisfactorily. Children with disabilities are served in their district whenever the needs identified on the individualized education program (IEP) can be met within the district. However, it is recognized that some students have unique educational needs that cannot be met in their districts. Because of such identified unique educational needs, some students receive services from

other districts and/or the SCCOE as well as non-public schools.

LEA responsibilities include, but are not limited to:

LEA special education administrators are responsible for the coordination of special education services and programs within their LEAs as well as the implementation of the Local Plan. Each LEA shall ensure that all students eligible for special education have access to the general education core curriculum, supplemental materials, equipment and supports to meet their unique individualized needs.

Programs for Early Childhood Special Education:

The Memorandum of Understanding between North Santa Cruz County SELPA and San Andreas Regional Center (SARC) outlines the services and responsibilities for children aged birth to three years old. The Santa Cruz COE also serves students birth to three through Early Start as outlined in MOU. At age three, responsibility for special education services and programs shift to the LEA of geographical residence. A description of programs for early childhood special education programs and services for children aged three through five years of age are outlined in the Annual Service Plan.

d. Monitoring the appropriate use of federal, state, and local funds allocated for special education programs: [EC 56205(a)(12)(D)(ii)(IV)]

RLA Superintendent/AU:

The AU receives and maintains accountability for the use of regionalized service funds appropriated to the SELPA; establishes appropriate record keeping procedures to be followed by each LEA for purposes of maintaining accurate fiscal and accounting records in accordance with state and federal requirements and submits required reports to the appropriate authorities; provides technical support for the Special Education Management Information System (MIS)

necessary to comply with the requirements of the California Department of Education; and, recommend to the SECA a plan for the sharing of regionalized service funds when LEAs are required to perform duties related to staff development, fiscal and accounting reports or other data gathering activities associated with required reporting activities.

The SECA has designated the SCCOE as the AU for the SELPA. The AU is the SELPA's fiscal agent and is responsible for the receipt and distribution of special education funds for the operation of special education programs and services, pursuant to state and federal law in accordance with the SELPA's AB602 fiscal Allocation Plan.

Responsibilities of the SELPA Director:

Under the direction of the RLA Superintendent and the SECA, the SELPA Director responsibilities shall include, but are not limited to: coordinating the implementation of all components of the Local Plan including preparing and implementing annual budget and service plans; ensuring appropriate use of federal, state, and local funds allocated for special education; assisting in preparing program and fiscal reports required by the LEAs, SELPA, and California Department of Education.

Funding Allocation Plan and Maintenance of Effort (MOE)

An income distribution model has been adopted by the SELPA and shall be reviewed and revised on a regular basis. The model distributes all funds pursuant to applicable state and federal regulations. Each LEA acknowledges the obligation to maintain the level of general fund contribution towards the provision of special education services at a level equal to or greater than that of the prior year (Maintenance of Effort), in compliance with state and federal mandates.

Annually, each LEA is independently audited for fiscal compliance.

12. Describe how specialized equipment and services will be distributed within the SELPA in a manner that minimizes the necessity to serve students in isolated sites and maximizes the opportunities to serve students in the least restrictive environments: [EC 56206]

Specialized equipment and services shall be provided at the site where the Individual Education Program (IEP) team has determined the student will receive a free and appropriate public education (FAPE) in the least restrictive environment (LRE).

LEAs in North Santa Cruz County SELPA will comply with AB605 as written to provide continuity of access to assistive technology devices for students on IEPs if deemed necessary as part of a FAPE.

Funding for low incidence equipment, materials, supplies and services is provided from the state and outlined in the AB602 Fiscal Allocation Plan and SELPA Procedural Handbook.

The low incidence funding supports the provision of specialized services and supports as outlined in Individual Education Programs (IEPs) for each pupil with a low incidence disability as defined in California Education Code Section 56026.5: "hearing impairments, vision impairments, severe orthopedic impairments, or any combination thereof."

Low Incidence funding is legally the responsibility of the SELPA, including accountability of how the funds are used and reassignment of specialized books, materials and equipment within the SELPA and sharing with other SELPAs. To meet this responsibility, a Low Incidence Committee has been established, which is comprised of educators knowledgeable about low incidence disabilities. The North Santa Cruz County SELPA Low Incidence Committee has established procedures and guidelines for purchases through the low incidence fund.

Low incidence funds for low incidence equipment, materials, and supplies, as well as for low incidence services are restricted for support of students in the low incidence disability categories: hearing impairment, deaf, visual impairment, severe orthopedic impairment, and deaf-blind. The funds are administered through the North Santa Cruz County SELPA as specified in the procedural handbook and include receipt of funds, distribution of funds, maintenance of an inventory, development of procedures for exchange of equipment, and reporting to the State.

The Santa Cruz County Office of Education and Santa Cruz City School District provide regionalized services and programs throughout the SELPA in order to increase opportunities for students to receive specialized supports and services in the Least Restrictive Environment (LRE) and to minimize the need to serve students at isolated sites or outside the SELPA.

Projected special education budget funding, revenues, and expenditures by LEAs are specified in **Attachments II–V**. This includes supplemental aids and services provided to meet the needs of students with disabilities as defined by the Individuals with Disabilities Education Act (IDEA) who are placed in regular education classrooms and environments, and those who have been identified with low incidence disabilities who also receive special education services.

IMPORTANT: Adjustments to any year’s apportionment must be received by the California Department of Education (CDE) from the SELPA prior to the end of the first fiscal year (FY) following the FY to be adjusted. The CDE will consider and adjust only the information and computational factors originally established during an eligible FY, if the CDE's review determines that they are correct. *California Education Code (EC) Section 56048*

Pursuant to *EC* Section 56195.1(2)(b)(3), each Local Plan must include the designation of an administrative entity to perform functions such as the receipt and distribution of funds. Any participating local educational agency (LEA) may perform these services. The administrative entity for a multiple LEA SELPA or an LEA that joined with a county office of education (COE) to form a SELPA, is typically identified as a responsible local agency or administrative unit. Whereas, the administrative entity for single LEA SELPA is identified as a responsible individual. Information related to the administrative entity must be included in Local Plan Section A: Contacts and Certifications.

SELPA:

Fiscal Year:

Each SELPA must adhere to requirements for developing and reporting special education budget revenue and expenditures. The following excerpt is taken from California School Accounting Manual (CSAM): Procedure 755 Special Education on page 755-1 and included to assist the SELPA with completing Section D: Annual Budget Plan information for each LEA participating in the SELPA's Local Plan.

Special education budgets are complex and are of great interest to the public, both locally and statewide. *EC* Section 56205(b)(1) requires that a special education budget shall identify particular elements. Identification of the following elements is facilitated by the standardized account code structure (SACS):

- 1. Apportionment received by the LEA in accordance with the allocation plan adopted by the SELPA. (The apportionment is tracked in SACS in the resource field in combination with the revenue code in the object field.)
- 2. Administrative costs of the plan. (These costs are tracked in the function field.)
- 3. Costs of special education services to pupils with severe disabilities and low-incidence disabilities. (This population is identified by the goal field.)
- 4. Costs of special education services to pupils with nonsevere disabilities. (This population is identified by the goal field.)
- 5. Costs of supplemental aids and services provided to meet the individual needs of pupils placed in regular education classrooms and environments. (Costs of these aids and services are tracked in the function field.)
- 6. Costs of regionalized operations and services and direct instructional support by program specialists in accordance with Part 30, Chapter 7.2, Article 6, of the California *EC*, Program Specialists and Administration of Regionalized Operations and Services. (These costs are tracked in the goal field for regionalized operations and in the function field for instructional services.)
- 7. Use of property taxes allocated to the SELPA pursuant to *EC* Section 2572. (Property taxes allocated to the SELPA are tracked in the resource field and identified by a revenue code in the object field.)

Attachment VII—Special Education Local Plan Area Membership Transfers and Mergers (to and from the SELPA)

Educational programs and services already in operation may not be transferred to another LEA unless all provisions of *EC* Section 56207 have been met by the SELPA as demonstrated by the completion and submission of Attachment VII. The effective date of the transfer must not be prior to the July 1 of the second fiscal year after the date the sending or receiving SELPA informed the other agency and the governing body of multiple LEA SELPAs or the responsible individual of single LEA SELPAs notified the other agency, unless both the sending and receiving SELPA unanimously agree the transfer date will take effect on the July 1 of the first fiscal year following the notification date.
