2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

The mission of Elk Creek Elementary School is to provide a safe, caring learning environment that promotes student success. The administration, parents and teachers work hard to ensure that all students have opportunities to grow to their full potential. Elk Creek Elementary School is a TK-4 school with three teachers supported by three para educators assigned to each class. The school is supported with one part time special education teacher. All classrooms are combination classes and the student/teacher ratio is 10:1 allowing teachers to work with individual and small groups to a great effect. Our after school program, SPARK, is five days a week that focuses on cultural activities, homework and reading support.

The school has a large Native American population that live at the Grindstone Rancheria outside of the town of Elk Creek. In addition, we have several inter-district transfer students who come from other communities who like the small school setting Elk Creek Elementary. The school is in a rural, low income area outside of Willows, California in Glenn County and the goals for the school are to improve reading skills and writing skills, increase average daily attendance to 93% and continue to reach out to our families and community for improved school support.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

School Facility Conditions and Planned Improvements

The Maintenance Lead and Administration conducts informal inspections regularly and formal inspections once each year to inspect the conditions of all buildings and grounds. All school staff are encouraged to report any concern to the Administrator. Needed repairs and safety issues are addressed through work orders to the Maintenance Lead for prompt attention. The school has 3 classrooms in the main building along with a kitchen and multi-purpose room. The fourth classroom is a portable building adjacent to the main building.

The facilities were built in approximately 1960 and have been maintained in good repair, using both the expertise of maintenance personnel and licensed contractors. The district employs one full-time maintenance personnel and two full-time custodial personnel who take pride in keeping the classrooms, facilities and grounds in good repair and in a manner that meets high standards for cleanliness.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	33	53	32	40	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents are encouraged to attend School Board meetings, act as classroom volunteers and when appropriate, be part of the Grindstone Parents Meeting organization as well as attend field trips, award ceremonies, teacher student/parent meetings and participate in the development of the LCAP. Administration welcomes families into the office at any time with an open-door policy. District communicated with families via website, social media and a text message service. The teachers of Elk Creek Elementary participate in School Site Council meetings, but parent attendance is inadequate despite efforts to attract parents to the meetings through a posted agenda, text notification prior to meetings, and planning the meeting time to be convenient for parents.

2023-24 School Safety Plan

The Stony Creek Joint Unified School District Safety Plan encompasses all school sites overall and contains sections specific to each site. The Safety Plan is reviewed and updated annually and approved by the Board of Trustees in February. Monthly fire drills are held, as well as earthquake and intruder drills. In 2021-22 the district adopted the ALICE protocols to respond to an armed intruder/ threat on campus. Staff are trained in ALICE protocols.

Professional development for teachers and staff is paid by the school district. The school utilizes also utilizes a full time Title 1 para professional. A reading intervention specialist is also utilized.

Students have access to vocational field trips, paid for with educational funds and/or fundraising efforts. Our district offers an afterschool program called SPARK which provide cultural activities and homework help. Our students also regularly participate in activities offered through the COE such as the all-county track meet, spelling bee and science fair.
