Feb. 16	Benchmark Testing - Math
Feb. 17	AZ State Wrestling Tournament
Feb. 20	Presidents' Day - No School
Mar. 6	College Day
Mar. 6-9	MHS Spirit Week

Benchmark Testing Wednesday, February 15th & Thursday, February 16th

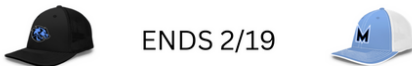

Benchmark testing plays a critical role for schools by revealing students' academic strengths and weaknesses. Data collected from these assessments guide MHS faculty and staff in determining what concepts have been learned, what needs to be retaught, and what additional academic supports are needed for individual students to attain their learning goals. Data from these assessments can also inform us of appropriate course placements for your student for next school year to ensure greater student success.

Parents/Guardians can partner with MHS by helping to emphasize the importance of maintaining good attendance on these dates, as with all school days, and by encouraging students to put forth their best effort when taking these assessments. Please help us in communicating with your student that these assessments matter! Thank you.
