

THE KING'S COLLEGE
BUTCHKO FAMILY SCHOLARSHIP

This award is made possible by the generosity of the Butchko Family, in celebration of their multi-generational family legacy of attending King's College upon graduation from Wyoming Area. Enabling a college education is a core value of the Butchko family, as are our traditions. This award is designed to recognize the academic excellence of a Wyoming Area senior who will continue his/her education at King's College, thereby preserving the connection between Wyoming Area and King's for many years to come. 2018 was the inaugural year for this award.

This scholarship will be awarded to a graduating Wyoming Area senior who has enrolled as a full-time student at King's College for the Fall of next year. The award money will go directly to King's College and will be credited to this student's account. The student will realize the full amount of this award by King's College.

King's College makes the selection for this MERIT based award - amount to be determined.
