## PRESIDENTS' HIGHLIGHTS

The sun is finally coming out in Demarest—and just in time for **Annie Jr. at DMS!**

With temps climbing into the 70s this week, the timing couldn't be better for

**DMS's production of Annie Jr.** —

because the sun will definitely be shining on stage.

Tickets are disappearing faster than a cloudy forecast, so be sure to grab yours on

Toolkit before they're gone! You've only got two chances to catch the show —

**this Thursday and Friday night.**

Check out the flyer below for all the details and come cheer

on our incredible cast and crew.

After all... the sun will come out tomorrow — but this show only runs two nights!
