Dear St. Anne Families,

It has been another busy and exciting week at St. Anne! As we move through the month of May, there are so many wonderful things happening throughout our school community, and it has been great to see our students so involved and engaged.

This week, we had the opportunity to celebrate Teacher Appreciation Week. I truly cannot say enough about our teachers. They are hardworking, dedicated, and always prepared, but more importantly, they care deeply about our students and families. Each day, they go above and beyond, whether it is staying late to help a student, preparing engaging lessons, offering encouragement, or simply taking the time to listen. Their commitment, patience, and kindness are a big part of what makes St. Anne such a special place.

I would also like to extend a heartfelt thank you to our PSA and St. Anne families for everything they did this week to help celebrate our faculty and staff. The flowers, snacks, and lunch were incredibly thoughtful and greatly appreciated by everyone. Your generosity and support helped make the week extra special for our teachers and staff members.

In addition to celebrating our teachers, we were also blessed with a wonderful concert on Tuesday evening featuring our third through eighth grade band students. It was truly a special evening and a great opportunity for our students to showcase their musical talents and all the hard work they have put in throughout the year. A special thank you goes to our music and band teacher, Mrs. Nancy Riggins, for all of her hard work and dedication in preparing the students for such a successful concert.

The excitement continued on Thursday with another favorite tradition at St. Anne, our annual Art Show. One of the highlights of the evening was seeing our students proudly share their creativity and artwork with their families. It was wonderful to see so many families come out to view the exhibits and support our young artists. We would also like to thank the St. Anne Ringers for their performance, which added another special touch to the evening.

Thank you, as always, for your continued support of St. Anne School. We are grateful for the strong partnership we share with our families and all that you do to support our students, teachers, and school community.

With continued prayers,

Dr. Gregory Fries

Dear St. Anne Families,

In compliance with the US Environmental Protection Agency (EPA) and the Asbestos Hazard Emergency Act (AHERA) an inspection for asbestos containing building materials was performed at each of our schools within the Diocese of Allentown. St. Anne successfully passed its most recent inspection in October 2024. The next scheduled three-year inspection is set to take place in the summer of 2027. A copy of the inspection reports is on file in each school's administrative office for your review any time during normal school hours. In the event you have any questions or concerns, please contact the school's principal or the Diocesan Asbestos Coordinator.

With Continued Prayers,

Dr. Gregory Fries, Principal
