

Start Strong Assessment Report

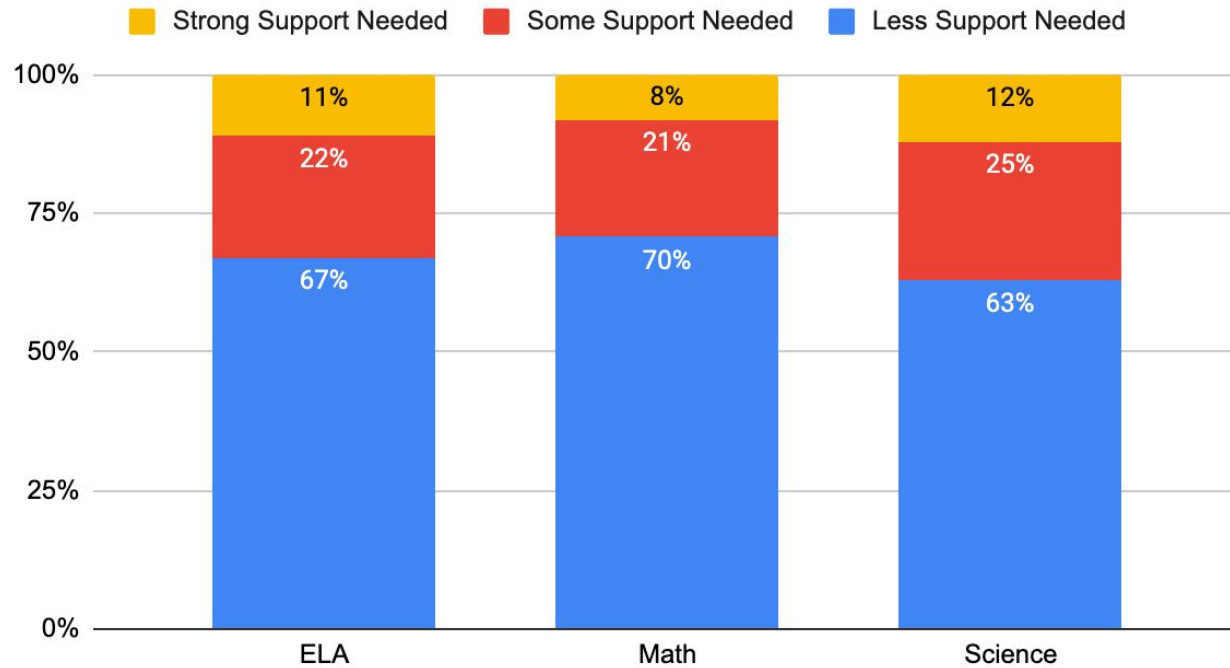

December 14, 2021

Start Strong

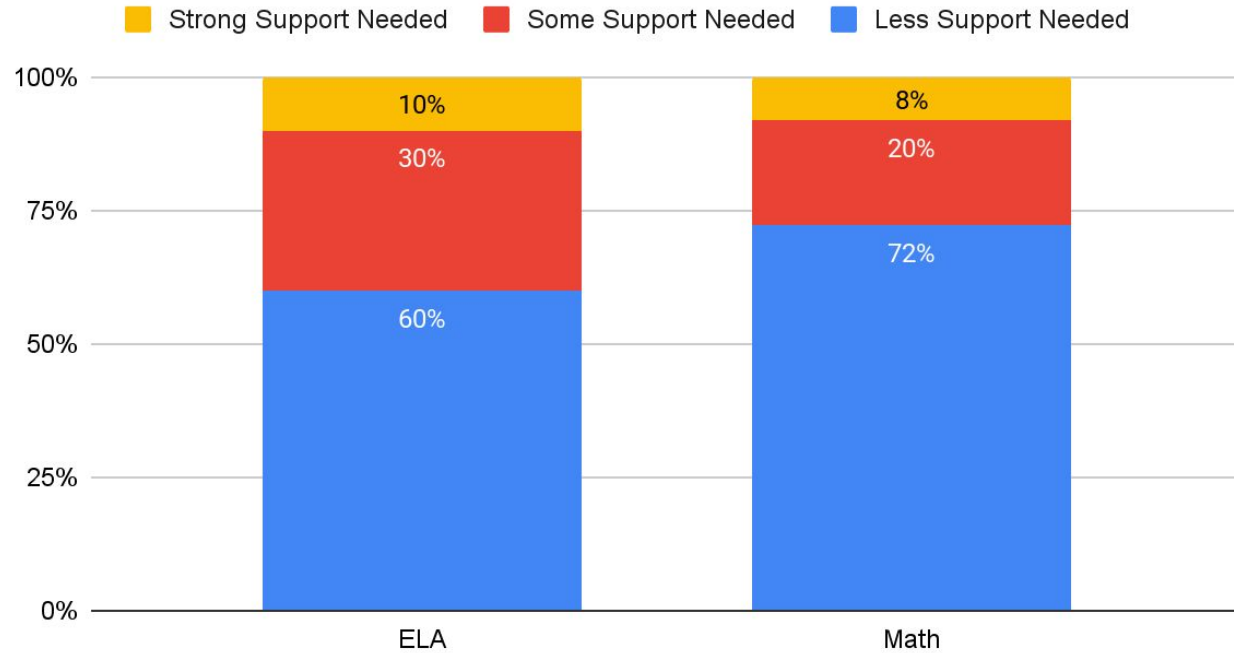

- Students in grades 4-8 took the Start Strong assessment.
- All students in these grades took an ELA assessment and a math assessment.
- Students in grade 6 also completed a science assessment.
- Each section took about a single class period.
- Per the state website, it is “...aligned to the previous year’s academic standards to help educators understand the level of support students require for current grade-level instruction”.

Moving Forward...

- Met with grade level teams to review student results.
- Results being used as part of the Response to Intervention process at both LLE and DMS.
- The RTI process is well underway, allowing the district to provide interventions for students.
- The benchmark screener will be given district-wide again in January to monitor student progress.
