LLE One School, One Book

During the month of February, Luther Lee Emerson students and their families read the book Save Me a Seat by Gita Varadarajan and Sarah Weeks. After each night's reading, students answered a trivia question in school the next morning. At the end of the three weeks, the classes at each grade level with the most correct answers received a \$5 gift card to Books and Greetings in Northvale. The winning classes were Ms. Raccioppi's class, Ms. Kim's class and Ms. Chabora's class. Additionally, each night, students had the option to follow along with a mystery reader who read the set of assigned chapters. Thank you to the PTO for providing the prizes for the winning classes as well as having Gita Varadarajan visit and speak about her books. Students in second grade had the opportunity to design a cover for one of her future picture books that will be published in 2024.

Principal's Challenge

Starting on March 29th students can begin participating in Principal's Challenge. Mr. Mazzini will work on warm up skills and will take them out for runs. This will prepare them for the Demarest 5k Run/Walk on May 22, 2022. Principal's Challenge will be held on Tuesdays at LLE at 7:20 am and at CRS at 3:05 pm.

Spotlight on Third Grade

The third graders have been busy! Students started reading Charlie and the Chocolate Factory and are giving each character in the story some internal and external traits. They also came up with what their own golden ticket would look like if they owned a chocolate factory. In math, students are now learning about equivalent fractions and have been utilizing fraction strips to help! They started to learn what it means to organize and what strategies they can use to organize. Students brought in before and after pictures of a workspace from home. Finally, students have been sharing their main idea posters that they worked hard on with small groups.
