Houston County School District to Break Ground on Langston Road Primary School

HOUSTON COUNTY, GA – A groundbreaking ceremony will be held for Langston Road Primary School on Friday, June 17 at 8:00 a.m. Construction for the new school will be funded by the 2022-2027 Education – Special Purpose Local Option Sales Tax. Langston Road Primary School is expected to open in August 2023 and will serve students in Pre-K through second grade.

“Our community is experiencing a tremendous amount of growth,” said Dr. Mark Scott, Superintendent of Schools for the Houston County School District. “By opening Langston Road Primary School, we will provide additional classroom space in one of the fastest growing areas in our county. We are grateful to live in a supportive community who values public education as we work together to ensure our students have the facilities they need to learn and grow.”

The school was designed by Robertson Loia Roof (RLR) Architects and Engineering, and the construction manager is Parrish Construction Group. The address for Langston Road Primary School is 325 Langston Road in Perry.
