Please plan to be in Riverside by the morning of Wednesday May 8th- traffic can be terrible and we would hate for you to miss any of the Inter-Tribal Ceremony.

Caps, Gowns and Tassels and formal school Announcements are ordered and we will update you on their delivery dates as soon as it gets closer. We are willing to mail caps home for beading purposes, but they will be your student and your family responsibility at that point and **will not be replaced**. *Your Graduate must have the complete school issued Cap, Gown and Tassel to participate in the Graduation ceremony.*

For the Inter-Tribal Ceremony, we encourage all students to dress in their traditional regalia and would appreciate you having all their clothes here prior to Tuesday May 7, 2024. If your student does not have regalia to wear, please encourage them to wear dress clothes.
