

## School Improvement Council Minutes (2/13/23)

- Mrs. Burrows welcomed all those who were in attendance
- She then went over the school's areas of improvements: Culture & student leadership, instruction, and test scores
- Mrs. Burrows explained that the culture goal was being met using the following: Capturing Kids Hearts components, advisor/advisee program, after school tutoring for 1<sup>st</sup> grade, safety patrol hall monitors, and student led announcements
- She explained that the instructional goals were being met through the use of stations in classrooms, increased instructional time, interventionists which focuses on the individual needs of each student
- Mrs. Burrows let everyone know that she would email a copy of the PowerPoint to them to look over later
- She then reviewed how the improving test scores goal was being met: school leadership team, meeting student needs, MTSS, learning walks, PLC – backwards by design, after school tutoring
- Mrs. Bellflowers mentions how backwards by design has impacted and improved their instruction in 5K classrooms
- Mrs. Burrows asked if anyone wanted to add anything
- Mrs. Bellflowers mentions student growth should be included under the instructional goal
- Mr. Carter gave a brief update about playground equipment. He stated that the equipment, delivery, installation, and tear down of old equipment has turned out to cost much more than initially anticipated. He let everyone know that they were currently exploring all options.
- Mrs. Brown asked about Book Blast and how/where that money would be used. Mrs. Burrows responded that it could only be used to purchase books for the classrooms
- Mrs. Burrows asked if anyone had any other questions or concerns, hearing none the meeting was called to a close
-
