Parents and teachers are doing a good job following Covid guidelines and keeping our school safe. Trying to start some social distancing sports. Had the first live board meeting, state testing will be back this school year but will look a little different. Looking at scheduling Walk Throughs but have to set up protocols to keep the students safe. 6th and 7th graders will go to virtual science camp in early Dec. If the county goes back into the purple tier, school will not shut down but we will need to have protocols in place.
