

# NOVEMBER NEWS

November 27- December 1

We are gearing up for the happiest time of year! We will have loads of fun at school, but it is important that students also realize we have LOTS of learning left to do. Encourage your child to do their personal best.

## Mrs. Taubken

**Reading- The Night Tree**; We will be using our text to find evidence to answer questions, we will discuss main idea and details. **Evergreen Trees**- Nonfiction, we will discuss key details and the main topic, while learning facts about evergreens.

**Fundations**- We will begin Unit 6, parent letter coming home today!

**Language**- We will be reviewing our language skills.

**Writing**- We will be writing about our story this week.

**Homework**- Tuesday & Thursday  
We will be preparing this week for our Winter Summative. The students will be taking the ELA portion on Monday 12/4.

## Mrs. Schrimsher

**NBT.5**- subtracting within 100, **MD.6**- use number lines to subtract within 100, **OA.4**- arrays

This week, students will review and prepare for their subtraction assessment. A completed study guide will come home with students on Monday. Please give your child a pep talk. Later in the week, we will begin working on arrays. Students will use addition to find the total number of objects arranged in rectangular arrays (up to 5 rows & 5 columns).

**Test on Wednesday**

Homework: Tuesday & Thursday  
IXL Suggestions: P.5, P.6, P.8 Q.2

## A Look At Our Week...

November 30- Math Test  
November 30- Reading Test  
December 1- \$5 Class Party Fee Due
