# 5 GREAT REASONS YOUR CHILD SHOULD EAT SCHOOL MEALS

## SCHOOL MEALS ARE SAFE

Georgia's School Nutrition staff are ServSafe® certified, serving more than 30 million safe and nutritious meals to Georgia's students.

Our School Nutrition Program's health inspection scores are among the highest in Georgia!

## SCHOOL MEALS CONNECT WITH STUDENTS

Students thrive in structured environments and school meals are a familiar part of their routine for both virtual and in-person learners.

School meals connect students to their school, peers and school staff.

## SCHOOL MEALS SAVE YOU TIME AND MONEY

School meals take the guesswork out of meal preparation for students as they learn in-person or virtually.

## SCHOOL MEALS ARE HEALTHY AND DELICIOUS

Quality school meals are the mainstay of the Georgia School Nutrition Program! Our School Nutrition Professionals serve fresh and healthy meals that cater to students' nutritional needs.

Our school meals also have the bonus of being absolutely delicious!

## THERE ARE ENOUGH SCHOOL MEALS FOR ALL

When your child eats school meals, it does not reduce another child's ability to receive school meals. In fact, serving more school meals helps the local economy, your district school nutrition program and supports local farmers by serving Georgia grown items.
