Chartwells is fortunate to have a “Hometown Favorite”

Chef Kiara Ford is a native of Pine Bluff, Arkansas. Her culinary background started when she was 8 years old learning from her mother. She is a graduate of University of Arkansas at Pine Bluff with a B.S. Agriculture/Business. She started her professional culinary career in 2015 after she graduated from the Culinary Arts program at Pulaski Technical College. With her local insight, Chartwells will continue to produce a strong community relationship as well as serve the scholars healthier food options.

Chef Ford states, “It gives me a sense of pride to serve the youth in my community. Pine Bluff is a breeding ground for great talent and I want to be an example to the scholars while serving a smile one plate at a time!”
