

What is a School-Parent Compact?

A school-parent compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers work together to ensure all students receive the individual support they need to reach and exceed grade level academic standards.

Jointly Developed

The parents, students, and staff of Broxton-Mary Hayes Elementary School partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held in the spring each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are encouraged to participate in the annual Title I parent survey that is used as a tool to collect parent feedback regarding the current Title I programs and policies. Parents are welcome to contribute comments at any time.
