thirty days (30) days, or any longer time period that may be specified in this Quote. The School District and SAU #7 reserve the right to investigate the financial responsibility of any and all bidders to determine the ability of the Vendor to assure service throughout the term of the Contract.

8. The School District will select one vendor with whom it will make a good faith effort to negotiate an agreement. In the event such an agreement cannot be reached to the satisfaction of the School District and SAU#7, then the School District and SAU #7 reserves the right to terminate negotiations with no obligation to the apparently selected Vendor and to enter into any agreement with any other party of its choosing. The School Districts and SAU #7 reserve the right to determine the suitability of proposals on the basis of a proposal's meeting these or other administrative requirements, business objectives, technical requirements, the review team's assessment of the quality and performance of the equipment and/or services proposed, cost, and other criteria assessed by the review team. The competency, responsibility, experience, reputation and financial standard of the bidders will also be considered in making the award.
