Carver's View

Happy Spring Everyone,

We are nearing the end of our journey from growing every child at least two proficiency levels for the 2022 school year. We now move into game time where our students are able to display the skills and mastery levels they have gained during the 2021-2022 school year. We definitely cannot do it without the assistance and support of our parents at school and in the community. State testing will start on April 20, 2022 and will run through May 11, 2022. We are asking that all students are present and on time during this process. We are working to make the testing environment as comfortable for all stakeholders as possible. As a reminder, once we are in test mode, we must follow strict guidelines to ensure that all procedures are followed. Our students and teachers have worked hard to get to the final game which is MAAP testing. We are excited to see what the end results will be. A test pep rally has been scheduled for our students as we cheer them on all the way. Thank you for all of your help and we will definitely show you why we say "Carver Strong."

Counselor's Corner

Word of the Month: Integrity

Quote of the Month: "Integrity is doing the right thing, even when no one is watching." – C. S. Lewis

As we prepare for Spring State Assessments, let's encourage all students to complete each test with integrity.

Testing Reminders:

Make sure students get a good night's sleep/rest.

Make sure devices are fully charged each day for testing.

Make sure students eat a good breakfast or arrive at school in time to eat breakfast in the cafeteria.

Electronic devices are not allowed in the testing room. Therefore, if students bring electronic devices (cell phones, ipads, tablets, smart watches, etc.) will be taken up and returned after the last student is done testing.

Carver Elementary School Spring 2022 MAAP Assessment

Monday April 18	Tuesday April 19	Wednesday April 20	Thursday April 21	Friday April 22
Easter Monday  No School	No Testing	5th Grade Science	5th Grade Math	Burani 1 on 1-5th Grade Science
Monday April 25	Tuesday April 26	Wednesday April 27	Thursday April 28	Friday April 29

"Every day Counts"

Antoinette Thornton,
District Attendance Officer
Mr. Adrian Gooden, School
Resource Officer

As a school and a district, we understand that we are not quite out of the woods with COVID-19 yet. We will continue to follow the CDC and district protocols for social distancing and sanitation, ensuring that all facets of our journey during the school day is one that is aligned. Our goal is, and has always been, to provide a safe learning environment. You can help us keep everyone safe by ensuring your child has a mask on daily before arriving at school.

Librarian's Corner

April is National Poetry Month

I challenge you to read a poem a day on Epic! <https://kids.getepic.com/>
