Dear Parents/Guardians:

I am writing to inform you of an incident reported to district administration involving inappropriate written communication between a bus driver and a student. This morning, upon receiving the information, an investigation was immediately launched, and the driver was removed until the investigation was completed.

At the conclusion of the investigation, district administration and authorities agreed that this isolated incident warranted the driver to be terminated.

Please take this as an opportunity to speak to your child regarding appropriate boundaries and the importance of reporting any questionable interaction to their parents or school personnel. The safety and security of all students will always be of the utmost importance to our district, faculty, and staff.

Thank you,

William R. Henderson III
