"Blazing a Path to the Stars!"

Welcome Starline Families to the 2022-2023 school year! It's going to be a great one.

Our principal for the last five years, Ms. Triassi, has chosen to retire - our fabulous PTA sent her off with a trip to a wellness resort and the hope that she will return to volunteer with students on campus whenever she is ready.

My name is Ginny Sautner, and I am excited to introduce myself to you as your new Starline Elementary principal. I'm a former Starline student and have worked in our Lake Havasu Unified School District for the last 18 years. I am a Nationally Board Certified Teacher, an Arizona Master Teacher Mentor, a past Fulbright Exchange teacher, and a former National Rural Teacher of the Year. I've called Lake Havasu home for most of my life and love and value this community where my husband (Sgt. Sautner) and I choose to raise our two daughters.

I have a deep respect and admiration for our teachers, staff, families, and children. Here, we are a team. We are a family. It is truly the high point of my professional career to work with dedicated educators like this Starline staff. I firmly believe that every staff member impacts students no matter what title they hold. Creating a culture of excellence is an ideal I will strive for each day through word and action. It is my distinct honor and pleasure to serve on this team as your principal for the next school year.

As you know, Starline has a great legacy of involved families. If you are interested in volunteering, please come into the Starline office and speak to Billie VandenHeuvel, the Administrative Assistant, or Tracy Dixon, the Office Assistant for a volunteer sign-up packet.

At any time, if you have any questions, please reach out via email or call the main office at (928) 505-1490.

Go Starblazers!
Ms. Ginny Sautner, NBCT

Have you heard your student say, "I got a Starbuck today!"?

Do not fear, its not a Grande latte, staff hand out Starbucks when we see students who are being PAX leaders in other words they are safe, responsible and/or respectful.

Star bucks can be turned in for Dojo points or for incentives provided by the teacher or donations.

Each Class also has a "STAR STUDENT." Star students model PAX behavior throughout the day. Each week a new star student is chosen.

Classes are ranked on a 1-5 scale during specials, the class with the highest end of week score gets STAR CLASS of the week. The class as a whole receives something each day like decorated lunch table with music, otter pops, free dress day and extra recess.

Designate Your Tax Dollars to Help Students of LHUSD #1

Did you know that if you must file and pay State of Arizona taxes, you may contribute to any of the LHUSD #1 schools and receive a **Dollar-for-Dollar tax credit of equal value** when you file your return? Your tax dollars support extra/co-curricular school programs in Lake Havasu City, and your **tax dollars stay in Lake Havasu City instead of going to Phoenix!**

By giving now, you reduce your state income tax liability late! It's a win-win for all of us! Make checks payable to LHUSD #1 To pay by credit card, visit the District Office OR make an online payment at www.lhusd.org

SAP

What is the Student Assistance Program?

SAP is a program dedicated to peer to peer support groups, giving students the opportunity to build positive relationships and teaches students to empower each other. The program encourages youth to overcome barriers in their daily lives, such as self-confidence issues, anger management, divorce or separation, bullying, death of a parent or guardian and social interactions.

Group is led by two trained facilitators that are educated in adverse childhood experiences and understand the power of resiliency. SAP consists of three 8-week sessions per school. Group is held once a week, after school for approximately minutes at your child's school.

For more information on SAP call the Havasu Community Health Foundation at (928) 453-8190 for enrollment information Shyla Perkins—shyla.hchf@gmail.com
