Superintendent Report: Current open positions for next school year are: Elementary, Art, and PE teachers. Mr. Patterson is working with FPCC to explore potential partnerships including fulfilling our History Teacher needs. He intends to have all open positions filled by the end of the school year.

On night of Wednesday, April 26<sup>th</sup>, a pipe burst in the new teacher housing unit located at 300 3<sup>rd</sup> Street and flooded the crawl space. One of the sewer lines was also disconnected. The unit is still under warranty with the home manufacture as well as our worksite contractor. Mr. Patterson has filed a claim with the District's insurance company and they have sent an adjustor out to the site for assessment. Water has been restored to the unit. All work should be covered by warranties. In the event that work is not covered, our insurance should cover the majority, if not all of the remaining balance.

Mr. Patterson hopes to begin work on the Main Entrance renovation this summer. He also plans to hire a summer crew to continue campus clean up as well as interior painting. The new playground swings and basketball hoop will also be installed this summer.

IIE is a JI Visa sponsorship agency. These Visas can be extended up to 5 years, at which time the teacher must return to their home country. On behalf of the District, Mr. Patterson signed an agreement with IIE and has worked to uphold our end of the bargain; however, IIE claims that they will no longer be able to extend Visa sponsorship to one of our teachers due to an October, 2022, directive from the US Department of State. Mr. Patterson has reached out to Gabriella Blatt in Senator Tester's office and the Senator's office is actively working on this issue for the District. In addition, Mr. Patterson has also reached out to our School District Attorney, Larry Martin, for assistance. Mr. Martin is in the process of drafting a letter on the District's behalf to send to IIE informing them that we will be considering all our legal options regarding this situation.

With no further business, Wilfred made a motion to adjourn. Motion seconded by Terry. Motion carried 3/0.  
Meeting adjourned at 6:37 P.M.
