

How long did it take you to find your way around the school regularly?	Which did you prefer: middle school or high school so far?	Have you attended any after school or extra-curricular events this year?	Do you prefer eating lunch inside or outside?	Have you joined a club or team yet this year?	Which is harder for you: waking up early or keeping up with homework?	Which do you look forward to more: Winter break or spring break?	Do you prefer computer notes or paper notes?	Which would you rather have: more passing time or longer lunch?	Are you nervous or ready for your first high school exams?	Do you walk to classes alone or with friends?	How often do you check your grades? (every day, every week, every month, before report cards, never?)	Do you prefer math/science classes or English/history classes?	Have you taken an online class?	Would you rather have no tests or no homework for a week?
