

Coffeeville SCHOOL

“Excellence- From All- For All” DISTRICT

Superintendent's Newsletter

February 2025

Dear Parents,

We are very proud to announce that the Coffeeville School District will receive the prestigious **MSBA Lighthouse School Leader Torch Award** on February 26, 2025 for earning a “B” school district rating, all schools rated “C” or higher, the district is in good standing as defined by the MDE Office of Accreditation, and with more than 90% of students on free/ reduced lunch.

Let us give the Coffeeville Basketball Boys Pirates (18-6) the support they need to bring a long-awaited State Championship to the Coffeeville School District. Continue to display good sportsmanship and hospitality to visiting fans from competing schools. It is our desire to create an inviting, safe and family oriented environment for all who will attend basketball games.

As we prepare for testing season, we are asking parents to create a Positive Learning Environment at Home. Set up a quiet, well-lit space for studying. Limit distractions like TV, mobile phones, and unnecessary noise. Encourage a routine that includes time for completing homework assignments and for reading recreationally. Read with your child daily, even if it's just 10-15 minutes. Make learning fun at home through the use of educational apps and websites, such as Study Island and Accelerated Reader. Your scholar has **FREE** digital access to thousands of books using **Accelerated Reader** on their computer and cellphones.

The Coffeeville School District will continue to improve academically when parents stay involved in their scholar's education. Take the time to call or email your scholar's teacher to check on his/her academic progress. Feel free to ask your scholar's teacher for tips on how to support learning at home. We are looking forward to making academic and athletic history in the Coffeeville School District, and this cannot be done without you!

Educationally yours,

Dexter Green

Superintendent of Education
