GOOD NEWS

- We had a really good turnout for our September Showcase with positive comments and appreciative parents. Parents were glad to be back in the classroom.
- Lots of Kindergarten parents came for Kindergarten Lunch and Learn. It was very informative and kindergarten parents learned how to read a MAP report. First through sixth grade are lined up for their day soon.
- We had Wellness Night this past month. The YMCA, Hoptown Nutrition, and Cassie Dougherty all had a booth for parents and students to visit. We will have another night in the spring and hope that more parents can attend.
- K-Kids met for the first time this past Monday. This is a Kiwanis group for third through sixth grade students that are interested in serving our community.

STUDENT ACHIEVEMENT

- Mrs. Owen shared KSA data with the council. She passed out papers showing how well we did compared to the rest of the district in all tested subjects.
- Congratulations to third grade math teachers and students that scored the highest in the district.
- Becky Guinn, retired writing teacher, will be here once a month to model to students writing techniques.
- We will need to be proactive in closing the gap with our Special Ed students.
- Our math scores were a little lower than last year. We need to be intentional in getting this score up.

TITLE I

- We have purchased Generation Genius and IXL with Title funds.
- We also, purchased running records to Into Reading and Waggle (It's a lot like I Read as it helps K-2nd grade students and they can do it at home).
- Books were purchased for Reading night.
- Out of state professional development is not being approved right now for teachers that wanted to visit the Ron Clark Academy.

POLICY REVIEW

Curriculum Policy – A motion was made to accept the policy as written. The motion was passed by consensus. This is the 2nd reading.

Grading Policy – A motion was made to add the following: Drop the lowest grade in each content area each nine weeks. Motion passed by consensus. This is the first reading.
