

THE CLARKSDALE COLLEGIATE COVENANT

STAFF/TEACHERS

We fully commit to the Clarksdale Collegiate mission for each scholar in the following ways:

- We will provide a **structured** and safe learning environment for all scholars by establishing and consistently reinforcing routines and procedures.
- We will set **ambitious** academic and behavioral expectations and work relentlessly to support all scholars in meeting those expectations.
- We will make learning fun and create space for **jubilance** throughout the school day.
- We will provide high quality instruction on college preparatory standards and use assessments and data purposely to support scholar achievement.
- We will be constant learners to ensure we become better teachers and leaders for all scholars.
- We will model the values and exceptional character we expect of scholars.
- We will embrace families as partners by communicating regularly and by making ourselves available.

FAMILIES

We fully commit to the Clarksdale Collegiate mission for our child in the following ways:

- We will make sure our child is present and on time to school daily. If our child is unable to attend school or will be late, we will notify the school of the absence or tardy.
- We will ensure our child adheres to the dress code daily.
- We will support our child in reading and completing homework every night.
- We will allow our child to attend field lessons and participate in additional learning opportunities.
- We will communicate regularly with the school and attend report card conferences.
- We understand that our child must follow the schoolwide rules to protect the safety, interests, and rights of all individuals in the classroom.
- We will always help our child in the best way we know how and will do whatever it takes to support our child's college bound journey.

SCHOLARS

I fully commit to the Clarksdale Collegiate mission for myself in the following ways:

- I will follow the Clarksdale Collegiate schoolwide rules.
- I know that **working hard** means always doing my best work, completing all classwork and homework on time, and coming to school on time everyday prepared for the day.
- I know that **being nice** means treating others the way I want to be treated.
- I know **staying safe** means following the expectations at all times especially when on the bus, playing on the playground or when on a field lesson.
- I know that **demonstrating urgency** means staying on task at all times to learn and grow as much as possible in preparation for college success.
