

Building for the Future

Moseley Public School will be participating in the Child and Adult Care Food Program (CACFP), a federal program that provides healthy meals and snacks to children receiving day care and attending school. Moseley is working to provide a At-Risk/3rd meal (supper) prior to the students leaving school each day.

Each day millions of children participate in CACFP at day care homes, schools and centers across the country. Providers are reimbursed for serving nutritious meals which meet United States Department of Agriculture (USDA) requirements. The pro-gram plays a vital role in improving the quality of care and making it more affordable for low-income families.

CACFP homes and centers follow meal patterns established by USDA.
