FFA News

FFA contests are wrapping up, and all Hysham teams that have competed have advanced to state in April.

The meat evaluation contest was on February 23 in Lockwood at S Bar S at 10:00 in the morning. Jo Hopf, Maisie Barrus, Liz Moke, and Danica Gamble competed. The contest includes yield and quality grading, meat classes, meat identification, and a written test. The team ended up placing first in the district. Jo Hopf placed 1st individually and Danica placed 3rd individually.

On that same day, the mechanics team (consisting of Ethan Weinmeister, Maisie Barrus, Chamron Southers, and Hadley Johnson) competed in Huntley at 8:00 in the morning. They did welding, carpentry, electrical, and a written test. The team placed 4th, and Ethan placed 10th individually.

This year has been a very successful one for the program, and we look forward to seeing how they do at state!
