

THE BRONC

Volume 22 – 1st Edition September 2022

An interview with Mr. Martin by Izzie Long

I interviewed Mr. Martin for this school year and this is what he said. Mr. Martin said “I am happy to be here and a part of the Bronc community.” He said “I have been in education for 21 years. 20 years at my last school and my first here. I am excited to be here!” He informed me that he had two sons attending school here. They are in 1st and 6th grades. He said “I am all in here! I want to continue the great reputation that Kremlin has gained. I want to focus on academics and encourage students to be in many activities. Being a part of a team and being a part of things helps you learn life skills. These skills help you learn time management and allow you to have more opportunities for the future.” He also added “I would like to continue the traditions of athletics and academics.” We are excited for this school year and where it takes us athletically and academically.

Homecoming week by Izzie Long

Homecoming week was September 6- September 9. The dress up days were: Tuesday- TV day, Wednesday- Anything but a backpack, Thursday- Millionaire day, and Friday- Spirit day. The football homecoming game we played against Medford. It was a very good game. The dress up days were a lot of fun with a lot of great outfits.

Kremlin-Hillsdale XC by Trinity Harris

This school year Kremlin Hillsdale has a girls cross country team for high school. Coach Vaught said there's a lot of potential for the girls team this year, they just need more practice. Two of the five players on the girls' high school cross country team placed high at the first meet, Maddie Lockhart placed first and Taryn Ellis placed ninth. Coach Vaught also said he has very high hopes for the girls cross country team. Coach Vaught said the girls are doing well at practice; they are acclimating to long distance and should be on their way to being great.

Mrs Pirtle by Lucas Ornano

Mrs. Pirtle wanted to become a teacher since the 2nd grade and she did just that. She said that she has a great husband and has three children. Her favorite food in the whole wide world is tacos. Some of her favorite artists are Rob Zombie, Metallica, and 90s music. One thing that I noticed about Mrs. Pirtle is that no matter the day, she has the same easy going attitude and is always having a good time.

**New teachers
by Izzie Long**

As the new school year begins, we have a new normal. Mr. Nance, Mr. Severin, Mr. Neal, and Mrs. McGinnis have all left. Since all of these teachers have left we have added new people to the school. Mr. Martin, Mr. Worley, and Mrs. Vaught are all new to our school. Mr. Martin is the principal, teaches physical science, and coaches football. Mr. Worley teaches Military History, Health, US history, and 7th grade social Studies, as well as being our new head Football coach. Mrs. Vaught teaches second grade. We are excited to have these new people at our school and to have a great year. Mr. Martin said “He is excited to be here and for the school year.”

**The homecoming game and coronation
by Izzie Long**

The homecoming game was very interesting with lots of surprises. Sadly, we lost the game 47 to 0. Before the game, we had our homecoming coronation. The homecoming queen was Taryn Smith and the king was Maddox Myers. The homecoming court was Aydan Lazcano, Faith Mack, Emma Truman, Jack Arthur, and of course Taryn Smith and Maddox Myers. The little escorts were Daxx Ray and Anna Tase. Congratulations Taryn and Maddox!

**Powder Puff game in Kremlin-Hillsdale
by Trinity Harris**

The Kremlin High School has had their annual powder puff game throughout the years and the teams are always red against white. The most recent powder puff game was September 8th 2022 and the red team won 8-6 against the white team. The red team won, but the white team put in as much effort as the red team did. It was a close call until the two final points scored by the red team made them take the victory. On the red team, Taryn Smith scored a touchdown and on the white team, Maddie Lockhart scored a touchdown.

CHILD FIND

Kremlin-Hillsdale Public School provides educational opportunities, in accordance with IDEA, to students with disabilities from ages 3-21. Any person having knowledge of a student with a disability or a suspected disability and in need of special education services and/or related services, please contact:
