FINANCIAL REPORT FOR THE YEAR ENDING JULY 10, 1911.

READ THIS.—If the following report is correct, the totals of receipts and expenditures will balance. Care should be taken to enter each amount under its proper heading, and to enter no amount twice. If money other than the funds of the district is advanced by any one in paying teacher or for other expenses, it should be included in the item "Received from Loans." It is really money borrowed, and should also be included in the "Indebtedness" (item 16 above). Do not foot up the columns alike unless they actually add up alike.

RECEIPTS.		EXPENDITURES.	
READ THIS.—Insert nothing here that has not come into the treasurer's hands; give exact amount of each fund separately and put nothing under any head save what the head indicates. Money from funds overdrawn or advanced by any person, or loaned, should be under the head "from loans." Money remaining in the hands of the township treasurer has not been received by the district and no account should be here taken of it; include that in "Amount due the district" (item 17 above).		READ THIS.—The amount "paid teachers" should here show what has been actually paid during the year, including all the balance due for previous year, and not what may still be due. The latter will appear in the "Indebtedness" (item 16 above) and the total been paid out, except in item 8. Include nothing in any item save what has actually been paid out.

NOTICE TO ENUMERATORS.

1. By a law of 1907 each person taking the school census is required to secure the names, ages, residences of all children between the ages of 7 and 19 who reside in the district, ward, or city, and who are blind or whose vision is so defective as to make it impossible to educate such children in the public schools. 3. One of these should be filed with the township or city clerk, the other two sent to the County Commissioner and Superintendent of Public Instruction with the other reports.

5. If there are no blind children or those having defective vision in the district, ward, or city, fill in head of this report and state on the face of the three reports that there are no such children in the district, ward, or city.
