

MIDDLE GROVE C-1 SCHOOL DISTRICT
CONSULTATION FOR TITLE II.A AND TITLE IV.A
MEETING MINUTES
MARCH 12, 2025, 3:00PM

1. Title II.A

- a. Discuss the purpose of Title II.A (increasing student achievement through providing greater access to effective educators. This is achieved primarily through professional development for teachers and school leaders)

Mrs. Hancock gave a brief summary of our Title II program.

- b. Current use

We currently use the funds for Certified Teacher professional development, substitutes while they are at professional development if required, pd registration and travel fees. We have also had a guest speaker for professional development, as well.

- c. Evaluation of program—is that the best use of funds?

All agreed that our current use of funds is what we need to do. They did enjoy the guest speaker and would like to have additional guests.

- d. Recommendations for the 2025-2026 school year

Guest speaker, Science of Reading PD, interested in Just Words pd if it is available.

2. Title IV.A

- a. Discuss the purpose of Title IV.A (increasing student achievement by providing LEAs funds to offer access to a well rounded education, a safe and healthy school environment and effective use of technology in the classroom.)

Mrs. Hancock gave a brief description of the Title IV program and what we could use the funds for.

- b. Current use

We used funds for the stem lab training and supplies for the lab. Programs: Discovery, Personal Finance, Geography, and US History

- c. Evaluation of activities/program—is that the best use of funds based on evaluation methods listed in Title IV.A plan of the ESEA Consolidated application.

Mrs. Herrin would like to discontinue the Discovery, Geography and US History programs.

- d. Recommendations for the 2025-2026 school year.

Mrs. Herrin would like to look into getting computer skill, keyboarding and Microsoft programs for the students.
