Notes From the **Superintendent**

The first quarter ended Friday, October 10, 2025, and Parent Teacher Conferences were held October 23 & 24, 2025. If your child struggled academically or behaviorally during the first quarter, it is vital that a plan be developed so that the areas of concern can be remediated. Parents and teachers working together as a team have a much greater chance of successfully improving a child’s achievement or behavioral performance.

Research proves that students who maintain good attendance do better in school and have fewer social/emotional issues. Poor attendance can also be a warning sign that your child is engaging in destructive behaviors outside of school. Please reinforce with your child the importance of good attendance. Set high expectations that they attend school every day! Students should only miss school due to illness or a serious emergency. **Every attendance day is important!** Parents in our district do a great job encouraging and supporting their children and we appreciate your positive involvement!

November 15 is School Board Member Appreciation Day! Our school board members are dedicated, thoughtful, caring, and committed to doing what is best for the students of our district. They are also careful stewards of the tax dollars our district receives. Our board members spend countless hours in meetings, negotiations, and training sessions without any pay. They are dedicated public servants and if you see one of the following board members thank them for their service: President Pam Eubanks, Vice President Mike Urish, Secretary Maria Bibler, Tyke Hackbarth, Adam Drinkall, Sarah Engelkens, and Correy Rahn.

I am proud to announce that Chadwick-Milledgeville Elementary School and Chadwick-Milledgeville Jr./Sr. High School have both achieved **Exemplary School Status** from the Illinois State Board of Education. This status ranks our schools in the top 10% in the State of Illinois and it is the fifth time that our district has earned this honor. This is an incredible achievement, and our entire community should be very proud! Thank you to the students and staff for your hard work and dedication!

Finally, on behalf of the staff and board of education I wish all our stakeholders a happy & safe Thanksgiving!

The  
Sincerely,  
Tim J. Schurman, Superintendent

*Counselor’s Corner*

The Whiteside Area Career Center is having an Open House on Wednesday, November 5, from 5:30p-7:30 p.m. They will be having refreshments and door prizes. If you are undecided on taking a class at WACC next year this would be a good opportunity for students and parents to see the programs they offer.

**Senior parents reminder:**

***The FAFSA is open!***

The FAFSA is mandatory for any student attending any sort of post-secondary schooling, this includes tech schools, colleges, and universities.

Even if your student is not attending Sauk, they offer help with the FAFSA as a community service because we are in their district. Sauk’s financial aid department: <https://www.succ.edu/students/finaid/index.html>

***Family Reading Night in November***

Each year in November the Illinois State Library sponsors Family Reading Night, which encourages families to set aside time to read together. On Thursday, November 20th, the librarians, teachers, and administrators hope that our school district’s families take time to celebrate the joys of reading and the importance of sharing ideas through books. So on that night, turn off the televisions, computers, and phones in your home; find a warm, comfortable place to relax and share a book with someone you love. Who knows, you may decide to have a reading night every week of the year!
