12/7 ~ Late Start Monday
12/9 ~ Winter Concert

*If you would like extra practice for your child to do over break, please email me!

A Note To You

Hello Families,

This week we will have PE on Wednesday and Music and Library will be on Friday.

Please make sure your child is dressed for the weather.

Have a great week!

Practice At Home

- UFLI at home practice will guide you through the spelling pattern we are learning in class. Practice, practice, practice! These spelling patterns come and go quickly!
- Read 20 minutes each night.
- Math Practice sheets will reflect what we have been learning in class so that you can do a little more at home.

This Week's Agenda

Spelling: Long /e/ Vowel Teams
Y & EY come at the end of two syllable words to say the long e sound, like in 'monkey' and 'happy'
EE, EA can both go anywhere in a word. We needs lots of practice and exposure to memorize which to use and when.
Reading: We will continue learning about what a paleontologist does by reading stories about famous paleontologists and their historical discoveries. This topic will guide our reading, comprehension, and writing over the next couple of months.
Math: We will be learning different strategies to add two-digit numbers together.
