Call to Order

Shannon Grieshop made a motion to call the meeting to order at 8:01 am. Pamela Clark seconded the motion.

Welcome

Dr. Glover welcomed everyone to our last meeting of the year.

GMAS Results

Third – Fifth Grade and IEP GMAS data has not been released for the system. This is the foundation for where we should be for CCRPI. Dr. Glover is concerned but ready to move forward.

EOY Activities

Mindy Brett received the Special Educator Award for elementary from the Council for Exceptional Children. Today she will be leading a parade at our school with her students. We are so proud of her and grateful to have her at the top.

Each grade level has their own end of year activities. Hype it up as much as we can. On Monday, 3rd through 5th grade will have a kickball game against faculty to celebrate doing their best on the GMAS. Lower grades are invited to watch and cheer. Chloe is the coach. Students will have lunch in to go containers so teachers can choose to have picnic if they would like.

On Friday, a preK student will be doing the announcements over Zoom. We are trying to make a difference in each individual kid.

Teacher Appreciation

Teacher Appreciation week was the best ever. It gets better every year. Chloe and our PTO did such a wonderful job. Can you think of anything our teachers need? Maybe for a welcome back gift?

Summer Curriculum Training

EIP goes to every training. All are involved in some type of training over the summer. It is not just a vacation. Send Mrs. Seamans an email if we are training in any areas. We need strength of the team not just same people every time. Dr. Glover is taking a training class on Safety in Columbus in June.

Closing

Dr. Glover thanked everyone for coming to the meeting. If you need anything, please let us know.

Mrs. Clark made the motion to close the meeting. Mrs. Grieshop seconded the motion at 8:29 a.m.
