another

climb

full

great

poor

through

*comprehension skill: think about what happens in a story and why those events happen, or the cause and effect

*comprehension strategy: good readers make predictions about what will happen next in a story

Kitten's First Full Moon

It was Kitten's first full moon. When she saw it, she thought,
There's a little bowl of milk in the sky, And she wanted it.
So she closed her eyes and stretched her neck and opened her
mouth and licked. But Kitten only ended up with a bug on her
tongue. Poor Kitten!

Still, there was the little bowl of milk, just waiting.
So she pulled herself together and wiggled her bottom and sprang
from the top step of the porch. But Kitten only tumbled - bumping
her nose and banging her ear and pinching her tail. Poor Kitten!
Still, there was the little bowl of milk, just waiting.

So she chased it - down the sidewalk, through the garden, past
the field, and by the pond. But Kitten never seemed to get closer.
Poor Kitten!

Still, there was the little bowl of milk, just waiting.
So she ran to the tallest tree she could find, and she climbed and
climbed and climbed to the very top. But Kitten still couldn't reach
the bowl of milk, and now she was scared. Poor Kitten! What could
she do?

Then, in the pond, Kitten saw another bowl of milk. And it was
bigger. What a night!

So she raced down the tree and raced through the grass and
raced to the edge of the pond. She leaped with all her might -
Poor Kitten! She was wet and sad and tired and hungry.

So she went back home - and there was a great big bowl of milk on
the porch, just waiting for her. Lucky Kitten!

FAST & FLUENT
