

Call Out for September 9, 2022

This is Richard Dennis, Superintendent of Elmore County Public Schools. As we finish the 5th week of school we have 11,362 students in kindergarten through 12th grade. Good attendance is a significant factor in the academic success of students. Please, make sure your student attends school regularly and that your student adheres to Elmore County attendance guidelines.

Parents, middle and high school students received progress reports this week, so please, review them and follow up with your student's school if needed. It is much easier to address academic concerns early in the semester when measures can be put in place to address the situation.

Be reminded, if you would prefer to get my call outs and other system-wide communications texted to you through Remind, visit the Elmore County Public Schools website and follow the registration process.

Have a great afternoon and enjoy what looks to be a very wet weekend!

Every Student Empowered, Every Student Succeeds.

Richard Dennis
