

Leland School District

Children age 3 to 4 Institute Community Service (ICS)

Child Find Activity

1. At the facility (headstart or school site) students are screened no later than 45 days after enrollment for speech and language.
2. If a student fails the screener they are assessed for speech services.
3. Local Survey Committee (LSC) will obtain ICS information from Battelle Developmental Inventory-3 (BDI-3) screener in which the child failed in 2 or more areas.
4. Special education office will contact parent and parent will give consent for further evaluation or decline testing.
