“There is no logical way to understand what we’re seeing now in temporal terms; you just can’t. These are not political divides. There are forces — and they’re very obvious now, they’ve decided,

## *Highlights from Letters to Power*

You have been my faithful companion for over 20 years now. I appreciate all you do, not just for me. But for everyone who listens to your station. Thank you for being faithful to God's call on your lives. Thank you for uplifting me in all the times of my life.

I just want to thank you so very much for Christian music 24/7! I haven't been able to give this year like I did last year because the Lord blessed my husband and I with being able to buy a home back in April. Power 88 fills our home and our vehicles when we're on the road. May God continue to bless this station as you all bless my family.

## *Supporting Christian Radio*

If Christian radio has made a difference in your life and you do not have a means of helping support the station financially, there are 2 other important things you can do:

1. Keep us in your prayers that God will use this radio ministry for His glory 24/7.
2. Support a business that underwrites. Thank them for their donation to help support local Christian radio and use their services when possible.
