SANTA MARIA JOINT UNION HIGH SCHOOL DISTRICT BOARD OF EDUCATION

CSBA Professional Governance Standards

Adopted by the Santa Maria Joint Union High School District April 11, 2001

THE BOARD

School districts and county offices of education are governed by boards, not by individual trustees. While understanding their separate roles, the board and superintendent work together as a "governance team." This team assumes collective responsibility for building unity and creating a positive organizational culture in order to govern effectively.

To operate effectively, the board must have a unity of purpose and:

- Keep the district focused on learning and achievement for all students.
- Communicate a common vision.
- Operate openly, with trust and integrity.
- Govern in a dignified and professional manner, treating everyone with civility and respect.
- Govern within board-adopted policies and procedures.
- Take collective responsibility for the board's performance.
- Periodically evaluate its own effectiveness.
- Ensure opportunities for the diverse range of views in the community to inform board deliberations.

THE INDIVIDUAL TRUSTEE

In California's public education system, a trustee is a person elected or appointed to serve on a school district or county board of education. Individual trustees bring unique skills, values and beliefs to their board. In order to govern effectively, individual trustees must work with each other and the superintendent to ensure that a high quality education is provided to each student.

To be effective, an individual trustee:

- Keeps learning and achievement for *all* students as the primary focus.
- Values, supports and advocates for public education.
- Recognizes and respects differences of perspective and style on the board and among staff, students, parents and the community.
- Acts with dignity, and understands the implications of demeanor and behavior.
- Keeps confidential matters confidential.
- Participates in professional development and commits the time and energy necessary to be an informed and effective leader.
- Understands the distinctions between board and staff roles, and refrains from performing management functions that are the responsibility of the superintendent and staff.
- Understands that authority rests with the board as a whole and not with individuals.

Board of Trustee Action Plans

Santa Maria Joint Union High School District

- Maximize Student Success
- Develop and Maintain a Districtwide Accountability System
- Enhance Student Support Services: Facilities, Technology, Safe, Clean, Nurturing Environment; Expand Food Services
- Foster Partnerships
- Manage Rapid District Growth

RESPONSIBILITIES OF THE BOARD

The primary responsibilities of the board are to set a direction for the district, provide a structure by establishing policies, ensure accountability and provide community leadership on behalf of the district and public education. To fulfill these responsibilities, there are a number of specific jobs that effective boards must carry out.

Effective boards:

- Involve the community, parents, students and staff in developing a common vision for the district focused on learning and achievement and responsive to the needs of all students.
- Adopt, evaluate and update policies consistent with the law and the district's vision and goals.
- Maintain accountability for student learning by adopting the district curriculum and monitoring student progress.
- Hire and support the superintendent so that the vision, goals and policies of the district can be implemented.
- Conduct regular and timely evaluations of the superintendent based on the vision, goals and performance of the district, and ensure that the superintendent holds district personnel accountable.
- Adopt a fiscally responsible budget based on the district's vision and goals, and regularly
 monitor the fiscal health of the district.
- Ensure that a safe and appropriate educational environment is provided to all students.
- Establish a framework for the district's collective bargaining process and adopt responsible agreements.
- Provide community leadership on educational issues and advocate on behalf of students and public education at the local, state and federal levels.

J. Authorization to Piggyback on Kings County Office of Education for the purpose of implementing a software purchase and license program for the public agencies through July 31, 2023

Section 20118 of the Public Contract Code (PCC) provides an alternative for obtaining supplies, furniture, and equipment, commonly referred to as "piggy-backing", where notwithstanding Section 20111 and 20112 of the PCC, the governing board of any school district without advertising for bids, and if the board has determined it to be in the best interest of the district may authorize the purchase of such supplies, furniture and equipment.

Kings County Office of Education has awarded their bid to Softchoice Corporation - Piggyback Bid # 061119, through July 31, 2023. The district recommends that the board find and determines that it is in the best interest of the district to authorize software purchases under the same terms and conditions. With Board approval the district may "piggyback" on their bid pursuant to the provisions of PCC20118.

K. Authorization to utilize the National Association of State Procurement Officials Value Point (NASPOVP) California for District-wide Purchases of Lenovo Computer and Technology Equipment and Services for the length of the Contract through July 31, 2023

Section 10299 further authorizes state and local agencies to "contract with suppliers awarded the contracts without further competitive bidding." The district administration recommends that district-wide purchases of Lenovo computer and technology equipment and services be made utilizing the

provisions of the Public Contract Code that allow purchasing from a NASPOVP-California – National Association of State Procurement Officials Value Point – California Agreement - Addendum #7-15-70-34-007, Amendment #5 – from Master Agreement MNWNC-117, utilizing Lenovo (United States) Inc., as the servicing vendor, through July 31, 2023.

L. Authorization to Utilize Sourcewell for the Purchase of Grounds Maintenance Equipment for the length of the Contract through April 30, 2025

Section 10299 of the Public Contract Code (PCC) provides an alternative for obtaining supplies, furniture, and equipment, whereby notwithstanding Section 20111 and 20112 of the PCC, "school districts may, without competitive bidding, utilize contracts, master agreements, and multiple award schedules established by the department [DGS] for the acquisition of information, technology, goods, and services." Section 10299 further authorizes state and local agencies to "contract with suppliers awarded the contracts without further competitive bidding." The district administration recommends that district-wide purchases of grounds maintenance equipment be made utilizing the provisions of the PCC through Generac Power Systems Sourcewell Solicitation Number: RFP #031121 through April 30, 2025.

M. Authorization to Utilize National Cooperative Purchasing Alliance Contract for the Purchase of Turf and Grounds Maintenance Equipment for the length of the Contract through December 31, 2023

Section 10299 of the Public Contract Code (PCC) provides an alternative for obtaining supplies, furniture, and equipment, whereby notwithstanding Section 20111 and 20112 of the PCC, "school districts may, without competitive bidding, utilize contracts, master agreements, and multiple award schedules established by the department [DGS] for the acquisition of information, technology, goods, and services." Section 10299 further authorizes state and local agencies to "contract with suppliers awarded the contracts without further competitive bidding." The district administration recommends that district-wide purchases of turf and ground maintenance equipment be made utilizing the provisions of the PCC from the NCPA Contract with Harper Turf Equipment Contract #02-107 through December 31, 2023.

N. Authorization to utilize the NASPO for District-wide purchases of Hewlett Packard Inc. Computer Equipment, Peripherals and Related Services for the length of the contract through July 31, 2023

Section 10299 of the Public Contract Code provides an alternative for obtaining supplies, furniture, and equipment, whereby notwithstanding Section 20111 and 20112 of the Public Contract Code, "school districts may, without competitive bidding, utilize contracts, master agreements, multiple award schedules...established by the department [DGS] for the acquisition of information technology,

goods, and services." Section 10299 further authorizes state and local agencies to "contract with suppliers awarded the contracts without further competitive bidding." The district administration recommends that district-wide purchases of HP computer and technology equipment, peripherals and related services be made utilizing the provisions of the Public Contract Code that allow purchasing from Amendment No. 6 to NASPO Master Agreement No. MNNVP-133 through July 31, 2023.

O. Notice of Completion

The following project was substantially completed on January 12, 2023. To file the necessary Notice of Completion forms with the County of Santa Barbara, the Acceptance of Substantial Completion needs to be formally accepted by the Board of Education.

SANTA MARIA JOINT UNION HIGH SCHOOL DISTRICT FACILITIES REPORT

January 2023

1. Santa Maria High School Construction Projects

SMHS Reconstruction – Rachlin Partners

- Increment 1, Phase 1 50 Classroom and Administration Building: Installation activities continuing this period include utility infrastructure, concrete, HVAC, security, communications, moisture protection, concrete walkways, ceiling and soffits, fire-life safety systems, finish work (data, electrical, plumbing), white boards, interior painting, plumbing fixtures, cabinets, casework, landscaping, irrigation, glass guard rails and carpeting. Substantial completion is estimated to be May 2023. (Photos)
- Increment 2, Phase (To Be Determined) Administration Building Conversion to Classrooms: Rachlin Partners is continuing with scope reduction to the 40%-50% of the replacement cost to meet the DSA 50% cost limit threshold. A cost estimate of the revised scope package will follow the design changes with resubmittal to DSA to follow.
- <u>Increment 1, Phase 1 New Softball Field:</u> Rachlin Partners is finalizing design change updates received in November. The contractor will provide a cost proposal upon completion of the revised design package. Work will be scheduled after the completion of the softball season in May 2023.

SMHS 2022 Six Portable Classrooms - Rachlin Partners

• The Architect's review of a proposed resolution to the water ponding issue continues. Project documentation closeout activities are ongoing.

SMHS 2022 Building 240 Electrical Upgrade – Ravatt-Albrecht Architects

Installation by District M&O staff will be scheduled when it will not impact students. Work
is estimated to occur during spring break.

2. Ernest Righetti High School Construction Projects

ERHS Maintenance and Operations Building – Rachlin Partners

• Occupancy is complete. Contract documentation and closeout activities continue.

ERHS Phase 2 Improvements – Rachlin Partners

 Phase 5 construction activities completed this period include general demolition and abatement, rough-in (ceiling, carpentry, mechanical, electrical, and plumbing), insulation, and drywall. With the change in weather, trenching for the new electrical conduit and feeder cable from the gymnasium to the 200 Building has commenced as well. Completion remains on target for April 2023. (Photo)

ERHS Quad Area Shade Canopy – Rachlin Partners

• Final contract documentation and closeout activities continue. The new drinking fountain to be installed under the contract remains on backorder. (Photo)

ERHS Hillside Erosion Control Curbing and Fencing – Flowers and Associates

 A proposal for engineering and design services has been received and a contract is in process. Construction is scheduled to occur after the removal of the existing 12 portables in June 2023.

ERHS New Softball Field - PBK Architects

• Revised schematic drawings remain under review by district staff. Upon approval of initial layouts, a final schematic layout will be issued to legal counsel for review and comment.

ERHS Boys and Girls Locker Room Modification – PBK Architects

 As with the ERHS New Softball Field, revised schematic drawings remain under review by district staff. Upon approval of initial layouts, a final schematic layout will be issued to legal counsel for review and comment.

ERHS Larch Street Fence Replacement – Support Services

• All work is complete. Final contract closeout is underway.

ERHS Press Box Conduit and Fiber Installation – Support Services

 No change. This project is pending availability of the electrical engineer to perform project development evaluations.

3. Pioneer Valley High School Construction Projects

PVHS 3 New Modular Classrooms and One Restroom - Rachlin Partners

 On site construction commenced January 17, 2023. The three-inch natural gas line that supplies the pool process heaters and showers was identified as needing to be relocated. The existing pipe routing was identified by District forces and a relocation plan developed. The relocation of the pipe is schedule for January 30. Modular buildings are scheduled to be delivered to the site for installation in March 2023. Project completion is now scheduled to occur by July 8, 2023.

PVHS 12 Portable Classrooms Installation – Rachlin Partners

• DSA continues review of the plans that were submitted December 22, 2022. Site work is targeted to start in May 2023 with building setup of portables moved from ERHS to occur between late June and early August 2023.

4. Mark Richardson Career Technical Education Center & Agriculture Farm

MRCTEAF New Maintenance and Operation Building – 19 six Architects

 Design development continues. The schedule for bidding and construction is pending design completion.

MRCTEAF Well Installation – Support Services

• County approval has been received. The bid package is under development and expected to be issued in mid-February 2023.

MRCTEAF Front Office Space Design- 19 six Architects

• A bid package is scheduled to be issued in early February 2023. Construction remains targeted to start in Spring 2023.

5. District Wide and Support Services Center

District Wide Project Closeout – Support Services

- Closeout of legacy projects continues:
 - ➤ SMHS #03-103743 Wilson Gymnasium Renovation: DSA responded to the proposed resolution; they are requiring destructive testing of the roof anchors. The consultant and architect will visit the site once weather conditions allow to establish the extent of required destructive testing.

SSC Second Story Office and Tire Room Reconfiguration – Ravatt-Albrecht Architects

A preconstruction meeting was held January 18, 2023. Work started January 23, 2023.
 Asbestos abatement is underway. The project is expected to be complete in late-May.
 (Photo)

Arc Flash Safety Assessment – Maintenance and Operations

 Site visit for SMHS occurred in January. Additional assessments will be scheduled during summer of 2023.

SMHS & ERHS CTE Funded Project – Rachlin Partners

Final project scope review with site team members is complete. Bidding is scheduled to occur
in early February. Results are expected to be submitted to the Board in March 2023.
Construction is now projected to start in May at ERHS and June at SMHS.

10. Are you an incumbent Delegate? *

Yes

No

11. Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly. *

First and foremost - I want to do more work for our kids. I have found my work on my school board to be very fulfilling, and I think this is a great opportunity to expand my focus a bit and work hard for all kids in California. As a change agent, deep listener, relationship builder, and finance professional I think I would be an asset to the Delegate Assembly. I understand the importance of listening and building relationships, and how that can effect future progress. In addition as a finance professional and CPA, I am able to understand funding and economic conditions at a deep level. Lastly, I think representation is important. As the first gay board member and first gay board president in my school district, I want to bring that experience to the Delegate Assembly as well. Overall - I want to do more for our kids. As for certifications, I have a Bachelors of Science in Management from UC Merced, and a Masters of Business Administration with a concentration in Finance from UMassGlobal/Brandman University. I am also a California Licensed Certified Public Accountant (license number 136063).

12. Please describe your activities and involvement on your local board, community, and/or CSBA. *

The last ~1 year I have been on the board has been an interesting time. Relations with our unions were terrible. The community did not trust the board or the superintendent, and soon after I started the superintendent and deputy both resigned. So one of my focus's in my tenure is to repair the relationships with the unions, and identify our next superintendent. Of course I am one of five, but I held regular meetings with union leaders to answer any questions I could, and update them on the superintendent search process. We just announced our next superintendent, and I received a call from one union president saying thank you, and that she trusts me. We have made a lot of progress in the last year, and I look forward to the progress we will continue to make. Aside from the board, I did serve as Treasurer of Youth Leadership Lompoc Valley, a group that aimed to identify and train the future leaders of our community. I did take a step back once I was appointed to the board because I wanted to focus on that role. In the past I also served at my local church.

13. What do you see as the biggest challenge facing governing boards and how can CSBA help address it? *

I think across the board funding is going to be a huge problem in the next couple of years. I know there is ongoing efforts to work with Sacramento to change our funding from ADA to enrollment which is a huge step in the right direction, but districts are struggling financially. The other thing I think is crucial is to network more with other local boards. I think building that network and having periodic meeting will make all of our districts stronger. We will be able to learn from each other, and give advice. CSBA is already working on the first initative, but the second would be to help organize these meetings either via zoom or in person.

- Work with cross functional teams to ensure alignment on Stock Compensation, including applicable accounting, SEC filing forms (including Proxy, Form 3 and Form 4), and release of shares
- Oversee the preparation of quarterly disclosures sent to the Audit Committee
- Partner with SEC Reporting team to ensure current accounting policies are in line with accounting guidance
- · Serve as a bridge between the SEC team and Accounting, translating guidance into accounting procedures

Accountant II/Accountant III/Senior Accountant I

April 2018-October 2021

Deckers Outdoor Corporation

- Provide training and support to accounting team
- Ensure accounting treatment of equity compensation is accurate and in compliance with accounting guidance
- Provide guidance to senior leadership on impacts of equity compensation decisions
- · Transitioned manual stock compensation processes to automated increasing efficiency and saving employee time
- Identified internal controls that were not in line with current processes and implemented change that saved over 100 hours of manual work each year
- · Perform high level actuals vs budget analysis and identify key drivers for any variances identified
- Participates in the quarterly tie-out process for annual forms 10Q and 10K, ensuring disclosures are in compliance with SEC requirements and agree to accounting records
- Lead the consolidation process to ensure complete and accurate reporting of company financials
- Develop and adjust reports to meet ongoing company needs, and to improve efficiency while increasing financial visibility

Assurance Experienced Associate

January 2016-April 2018

PwC

- Assist in planning an audit, including identifying likely sources of potential misstatement
- Create and monitor an engagement team budget involving identifying variances from the budget and implementing process improvements to reduce added time and expenses
- Execution of an audit in accordance with AICPA, PCAOB, US GAAS, US GAAP, and US GASB Standards
- Review financial statements, including forms 10K and 10Q
- Perform various analyses over balance sheets, income statements, statement of equity, and statement of cash flows

No

11. Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly. *

I am interested to still serve as delegate. Its has served our local Board well to have representation and better understanding of legislation that impacts our students. In additon I bring my 20 plus years experience of Early Care and Education and finance to this the assembly. I look forward to the opportunity to be a part of this dedicated group of folks.

12. Please describe your activities and involvement on your local board, community, and/or CSBA. *

I am currently serving as Board President, serving on audit committe, board liaison to Santa Barbara Ed Foundation and many other community organizations that are important to the stability and community support of our local District

13. What do you see as the biggest challenge facing governing boards and how can CSBA help address it? *

I see the biggest current threat is a lack of community understanding of the role of the Board and important to me personally, the lack of policy and funding connection to Early Care and Education. I feel that CSBA can be huge conduit in more advocacy in bringing them together. There's still this disconnect on the strength of ECE and K-12 together that can truly change the trajectory of a communty.

| | Yes |

11. Why are you interested in becoming a Delegate? Please describe the skills and experiences you would bring to the Delegate Assembly. *

I am very interested in becoming a CSBA Delegate because I want to be involved in the conversations and decisions affecting the students of my district, county, and state.

I would bring several skills to the Delegate Assembly, including empathy, leadership, and communication. In 2021 I graduated with my MA in Public Administration which I have found very valuable in assisting me as a Board Trustee, an Office Manager, and navigating life in general. I am also a CSBA MIG Graduate, class of 2019.

My experience includes working with several dynamic, effective leadership teams within the school district and community. Also, I am a parent of 2 awesome children, 1 of whom is still young enough to be in my school district. I think the experience of being a leader in the community and a parent in this complicated time makes my insight and experience very valuable.

12. Please describe your activities and involvement on your local board, community, and/or CSBA. *

I am involved in several community committees and nonprofits, such as Orcutt Children's Arts Foundation (OCAF) where I am president, the Santa Barbara County School Board Association where I am Vice President, and the Santa Barbara County Stand Down in which am an Executive Committee member. I also am an integral part of the NAMI North County Steering Committee, SOAAR (Supporting Orcutt Academy's Academic Resources), and the Santa Barbara County School Wellness Council.

13. What do you see as the biggest challenge facing governing boards and how can CSBA help address it? *

Special education is one of the biggest challenges facing governing school boards today. Whether it be lawsuits or staffing shortages, special education costs continue to rise exponentially which affects a district's ability to support other programs and puts a strain on the district's budget. CSBA can address this issue by continuing to advocate for increased funding at the state level, and fully funding special education at the federal level on behalf of school districts. CSBA should also partner with our elected leaders to sponsor, or at the very least support balanced legislation which provides protection for districts against frivolous litigation.

APPENDIX F Board Policy Presented for First Reading

Policy 5127: Graduation Ceremonies And Activities

High school graduation ceremonies shall be held to recognize those students who have earned a diploma by successfully completing the required course of study, satisfying district standards, and passing any required assessments. The Governing Board believes that these students deserve the privilege of a public celebration that recognizes the significance of their achievement and encourages them to continue the pursuit of learning throughout their lives.

At the discretion of the Superintendent or designee, a student who will complete graduation requirements during the summer may be allowed to participate in graduation exercises without receiving a diploma. When the requirements have been satisfied, a diploma shall be sent to the student.

High school students who have passed a high school equivalency test or the California High School Proficiency Examination must also meet district graduation requirements in order to participate in graduation ceremonies.

Invocations, prayers, or benedictions shall not be included in graduation ceremonies. The school or district shall not sponsor other ceremonies or programs for graduates that include prayer.

Honors and Awards

To honor superior academic achievement, graduation ceremonies shall include recognition of valedictorian(s) and salutatorian(s). Valedictorian(s) and salutatorian(s) shall be selected based on established criteria and procedures that use multiple measures of academic performance.

The Superintendent or designee shall identify other school-sponsored awards which may be given during graduation exercises. A separate awards program may be held to recognize graduating students receiving other school and non-school awards.

Graduation Attire

The Superintendent or designee may require graduating students to wear ceremonial attire, such as cap and gown, at the ceremony.

Any graduating student who has completed basic training and is an active member of any branch of the United States Armed Forces may, at the student's option, wear a military dress uniform at the ceremony. (Education Code 35183.3)

Students shall be permitted to wear tribal regalia or recognized objects of religious or cultural significance as an adornment to the customary ceremonial attire, as long as the adornment does not cause a substantial disruption of, or material interference with, the graduation ceremony. (Education Code 35183.1)

Students who desire to wear such adornments shall seek permission from the Superintendent or designee at least 14 days before the graduation ceremony.

Disciplinary Considerations

Students are expected to comply with district and school policies, regulations, and rules throughout the school session, including during graduation and related events. Students shall not be denied the privilege of participating in graduation ceremonies and activities except as discipline in cases of serious misconduct. In no event shall a student be denied participation in graduation ceremonies unless the principal or designee has informed the student and the student's parents/guardians of the misconduct and has given them an opportunity to respond.

During the graduation ceremony, a student may be removed from the ceremony for conduct that is disruptive or that poses a risk to safety.

High school seniors shall be notified of this policy in advance, through the student handbook or other means, and shall be required to acknowledge receiving it.

ourse Description

purse overview:

This class is intended to prepare students for a college level statistics course. Students will learn about four conceptual themes in statistics. Observing and exploring data, planning a statistical study via experiment observational study or survey, probability, and statistical inference. Topics include an introduction to data analysis, graphical displays of data, normal distributions, regression analysis, sampling and surveys, sampling and experiments, probability and probability models, confidence intervals, hypothesis testing, chi square testing and two sample testing. Students will organize data for appropriate statistical analysis and display the information graphically and with technology. Students will use real data and situations throughout the year including data collection from students in class and from online sources such as the NIH and CDC. By the end of the year, students will have mastered the fundamentals of computational and inferential statistics. Students will have an opportunity to complete a final project that will include all four statistical themes. They will collect data, analyze data, use probability and inference to make conclusions about the population (the school).

urse content:

Normal Distributions

Students will learn how find the and standard deviation of a data set. They will understand and interpret the mean and standard deviation in context of a situation. Students will find the z score and percentile by hand and with technology in data sets and in population statistics. Students will distinguish between a population and sample and its application to z score and percentile. Students will be introduced to the empirical rule and understand the standard normal table.

☐ Unit Assignment(s):

Given several examples of population means and standard deviation, students will learn what a normal distribution represents and its connection z score. Given a data set students will find the mean and standard using technology. A mini lesson in standard deviation as a measurement of spread and several examples of data sets with varying amounts of standard deviation. Students will partner up and using the textbook or internet, they will search for a population mean and standard deviation (examples will be given for struggling students). Students will create a graphic organizer including the situation with mean and standard deviation, drawing of normal curve including the z scores, z score and percentile of a given value, and an analysis of the normal representation in the population as an interval.

Correlation

Students will be able to distiguish between an expanatory and response variable. They will create and decide if scatterplots are positive, negative, or no correlation and calculate the correlation coefficient both as an estimate in scatterplots and exactly using technology. Students will create regression equations and make predictions in data sets and given equations. They will understand how to create scatterplots and equations using technology and learn about various forms of extrapolation and its consequences.

☐ Unit Assignment(s):

Students will measure their height and foot length and create a scatterplot for the data for all students in the class by hand and on calculator. They will find the correlation coefficient and explain the strength, form and direction along with whether or not the correlation is significant. Students will create the regression equation and make predictions for various shoe sizes and will extrapolate for large shoes. They will then determine what an outlier would be with two variable data (small foot very tall or large foot very short).

Sampling and Surveys

Students will learn about various sampling techniques including, random, stratified, convenience and systematic sampling with a focus on a simple random sample. Technology and the table of random digits will be used to find a simple random sample in a population. Students will learn about sampling bias and sampling variability. They will be able to determine the difference between a population parameter and a sample statistic. Surveys and sampling will be introduced and sampling errors such as undercoverage, response error and nonresponse will be included.

☐ Unit Assignment(s):

Students will create a survey on an interesting topic. The students may work in a group and create a sample (typically from the school). They will then issue their survey as a written survey, online survey or interviewer survey. Once data is collected students will then analyze the data and present their findings to the class.

Designing Experiments

Students will learn about treatments, confounding variables, and lurking variables along with experimental design. They will distinguish between good and bad experiments. Comparative studies, statistical significance and the placebo effect will also be emphasized. Blocking, matched pairs and blinding in experiments will be addressed using current event events and students will learn how experiments are conducted in the real world in clinical trials and in general.

☐ Unit Assignment(s):

Students will learn about Institutional review boards and choose a current experiment that is being conducted by the National Institute of Health (NIH). They will need to name the subjects, treatments, design of the study, if there is a placebo, and other types of principles being used.

Probability

Students will learn the definition and notation of probability in chance events. Simulations will be discussed using classical probabilities such as: dice, cards, coins, drawing numbers/colors and spinners. Probability rules including the addition rule for mutually exclusive and non mutually exclusive events. The multiplication rule for independent and dependent events and conditional probabilities.

☐ Unit Assignment(s):

Students will collect data in a two way table and calculate several probabilies including determine if the events are independent. They will also determine if there is an association between the two variables based on the probabilities calculated.

Probability Distributions

Students will learn about discrete probability distribution, binomial probability distributions, geometric probability distributions and poisson distributions. They will create a distribution table for each and calculate the mean and standard deviation for each probability distribution. Permutations, combinations and tree diagrams will also be included in this unit.

☐ Unit Assignment(s):

Groups of students will come up with a question and ask the simulated and theoretical probability of that event occurring. For example, in a group of 4 students find the probability of being left handed. Create a distribution table for 0,1,2,3,4 students being left handed in a group of 4.

Inference

Students will create confidence intervals for 1 sample and 2 sample means and interpret the results. They will create 1 sample and 2 sample proportions and interpret the results. They will then learn the basics of hypothesis testing for 1 and 2 sample means and 1 and 2 sample proportions.

☐ Unit Assignment(s):

Using the survey or the experiment they studied in previous chapters they will then create a confidence interval and a hypothesis test for the data that they found.

Chi Square Tests

Students will learn about one way and two tables and how to use a chi square test of association.

☐ Unit Assignment(s):

Using the data collected the two way table the created when they had to determine if there was an association, they will now conduct the chi square test for that data to have evidence of an association between the two variables.

Introduction to Statistics

(This Unit should be first). Students will learn about categorical and quantitative data in studies. They will distinguish between a sample and population. Data analysis using dotplots, pie charts, bar graphs, boxplots, stemplots, line graphs, pictographs, scatterplots and histograms will be investigated. Using these various graphical displays students will then descibe their data using shape, unusual points, center and spread. Students will learn about mean and median as measures of center and Inner Quartile Range and standard deviation as measures of spread.

☐ Unit Assignment(s):

Students will create a graphical display of categorical data. Students will also create a graphical display of quantitative data. They will have then present their graphs to the class and explain the meaning of the data by desribing the data.

APPENDIX H Board Policies Presented for Approval

Status: ADOPTED

Policy 6146.1: High School Graduation Requirements

HIGH SCHOOL GRADUATION REQUIREMENTS

The Governing Board desires to prepare all students to successfully complete the high school course of study and obtain a diploma that represents their educational achievement and increases their opportunities for postsecondary education and employment.

(cf. 5127 - Graduation Ceremonies and Activities)

(cf. 5147 - Dropout Prevention)

(cf. 6011 - Academic Standards)

(cf. 6143 - Courses of Study)

(cf. 6146.3 - Reciprocity of Academic Credit)

Course Requirements

District students shall complete graduation course requirements as specified in Education Code 51225.3 and those adopted by the Board, except for students who are exempted as provided in "Exemptions from District-Adopted Graduation Requirements," below. Students who are exempted from district-adopted graduation requirements shall be eligible to participate in any graduation ceremony and school activity related to graduation in which other students are eligible to participate.

Course Requirements

To obtain a high school diploma, students shall complete the following courses in grades 9-12, with each course being one year unless otherwise specified:

1. Four courses in English (Education Code 51225.3)

(cf. 6142.91 - Reading/Language Arts Instruction)

2. Two courses in mathematics (Education Code 51225.3)

Students shall complete at least one mathematics course, or a combination of the two mathematics courses, shall meet or exceed state academic content standards for Algebra I or Mathematics I. Completion of such coursework prior to grade 9 shall satisfy the Algebra I or Mathematics I requirement, but shall not exempt a student from the requirement to complete two mathematics courses in grades 9-12. (Education Code 51224.5)

Successful completion of an approved computer science course that is classified as a "category C" course based on the University of California (UC) and California State University (CSU) "A-G" admission requirements shall be counted toward the satisfaction of additional graduation requirements in mathematics. (Education Code 51225.3, 51225.35)

- 3. Two courses in science, including biological and physical sciences (Education Code 51225.3)
- 4. Three courses in social studies, including United States history, world history, a one-semester course in American government and civics; and a one-semester course in economics (Education Code 51225.3)

- 5. One course in visual or performing arts, world language, or career technical education (CTE). For purposes of this requirement, a course in American Sign Language shall be deemed a course in world language. (Education Code 51225.3)
 - To be counted towards meeting graduation requirements, a CTE course shall be aligned to the CTE model curriculum standards and framework adopted by the State Board of Education. (Education Code 51225.3)
- 6. Two courses in physical education, unless the student has been otherwise exempted pursuant to other sections of the Education Code (Education Code 51225.3)
- 7. Beginning with the 2024-25 graduation class, a course in ethnic studies (SMJUHSD Resolution Number 01-2020-21; Education Code 51225.3)

Because the prescribed course of study may not accommodate the needs of some students, the Board shall provide alternative means for the completion of prescribed courses in accordance with law.

Exemptions from District-Adopted Graduation Requirements

Prior to the beginning of grade 10, the individualized education program (IEP) team for each student with disabilities shall determine whether the student is eligible for exemption from all coursework and other requirements adopted by the Board in addition to the statewide course requirements for high school graduation, and if so, shall notify the student's parent/guardian of the exemption. A student with disabilities shall be eligible for the exemption, if the student's IEP provides for both of the following requirements: (Education Code 51225.31)

- 1. That the student take the alternate assessment aligned to alternate achievement standards in grade 11 as described in Education Code 60640
- 2. That the student complete the standards aligned coursework to meet the statewide coursework specified in Education Code 51225.3

(cf. 6146.11 - Alternative Credits Toward Graduation)

(cf. 6146.2 - Certificate of Proficiency/High School Equivalency)

(cf. 6146.4 - Differential Graduation and Competency Standards for Students with Disabilities)

District students are required to complete graduation course requirements specified above, including the requirements imposed by Education Code 51225.3 and those adopted by the Board. However, a foster youth, homeless student, former juvenile court school student, child of a military family, or migrant student who transfers into the district or between district schools any time after completing the second year of high school, or a newly arrived immigrant student who is in the third or fourth year of high school and is participating in a newcomer program, shall be exempted from any graduation requirements adopted by the Board that are in addition to statewide course requirements. This exemption shall not apply if the Superintendent or designee makes a finding that the student is reasonably able to complete the requirements in time to graduate by the end of the fourth year of high school.

Within 30 days of the transfer into a school by a foster youth, homeless student, former juvenile court school student, child of a military family, migrant student, or a newly arrived immigrant

student, or of the commencement of participation in a newcomer program, as applicable, the Superintendent or designee shall notify any eligible student of the availability of the exemption and whether the student qualifies for it. (Education Code 51225.1)

Retroactive Diplomas

Any student who completed grade 12 in the 2003-04 through 2014-15 school year and met all applicable graduation requirements other than the passage of the high school exit examination shall be granted a high school diploma. (Education Code 51413)

In addition, the district may retroactively grant high school diplomas to former students who: (Education Code 48204.4, 51430, 51440)

 Departed California against their will while in grade 12 and did not receive a diploma because the departure interrupted their education, provided that they were in good academic standing at the time of the departure

Persons may be considered to have departed California against their will if they were in custody of a government agency and were transferred to another state, were subject to a lawful order from a court or government agency that authorized their removal from California, were subject to a lawful order and were permitted to depart California before being removed from California pursuant to the lawful order, were removed or were permitted to depart voluntarily pursuant to the federal Immigration and Nationality Act, or departed due to other circumstances determined by the district that are consistent with the purposes of Education Code 48204.4.

In determining whether to award a diploma under these circumstances, the Superintendent or designee shall consider any coursework that may have been completed outside of the U.S. or through online or virtual courses.

- 2. Were interned by order of the federal government during World War II or are honorably discharged veterans of World War II, the Korean War, or the Vietnam War, provided that they were enrolled in a district school immediately preceding the internment or military service and did not receive a diploma because their education was interrupted due to the internment or military service in those wars
 - Deceased former students who satisfy these conditions may be granted a retroactive diploma to be received by their next of kin.
- 3. Are veterans who entered the military service of the U.S. while in grade 12 and who had satisfactorily completed the first half of the work required for grade 12 in a district school
- 4. Were in their senior year of high school during the 2019-20 school year, were in good academic standing and on track to graduate at the end of the 2019-20 school year as of March 1, 2020, and were unable to complete the statewide graduation requirements as a result of the COVID-19 crisis

Honorary Diplomas

The Board may grant an honorary high school diploma to: (Education Code 51225.5)

1. An international exchange student who has not completed the course of study ordinarily required for graduation and who is returning to the student's home country following the completion of one academic school year in the district

2. A student who is terminally ill

The honorary diploma shall be clearly distinguishable from the regular diploma of graduation awarded by the district. (Education Code 51225.5)

Administrative Regulation 6146.1: High School Graduation Requirements

Requirements for graduation and specified alternative means for completing the prescribed course of study shall be made available to students, parents/guardians, and the public. (Education Code 51225.3)

(cf. 5126 - Awards for Achievement) (cf. 6146.11 - Alternative Credits Toward Graduation) (cf. 6145.6 - International Exchange) (cf. 6146.2 - Certificate of Proficiency/High School Equivalency)

Students shall not be required to have resided within the district for any minimum length of time as a condition of high school graduation. (Education Code 51411)

If a student successfully completes the district's graduation requirements while attending a juvenile court school or nonpublic, nonsectarian school or agency, the district shall issue the student a diploma from the school the student last attended. (Education Code 48645.5)

Comprehensive High School Graduation Course Requirements

Beginning with the 2012-13 school year, students who have not completed the Foreign Language or Visual and Performing Arts requirement of 10 credits for graduation, will have the option of fulfilling this requirement by taking an approved Career-Technical Education course.

1. English (Four Years) - 40 Credits*

English 4 or other senior English course must be taken in the senior year.

English Requirement for English Learners: Effective with the Class of 2009, English Learners may earn a maximum of 30 English credits from English Language Development (ELD) and remediation courses. The remaining

English credits must be earned from L2 or mainstream English courses.

Students taking intervention classes may earn a maximum of 20 credits in district approved intervention courses and must earn an additional 20 credits in Regular English classes.

2. Math (Two years) - 20 Credits**

Must include 10 credits of Algebra or 20 credits of 2-year Algebra

At least one mathematics course, or a combination of the two mathematics courses required for completion in grades 9-12, shall meet or exceed state academic content standards for Algebra I. Students may satisfy the Algebra I course requirement prior to grade 9.

3. Science (Two Years) - 20 Credits

10 Credits of Physical Science and 10 Credits Biological Science

- 4. Social Studies (Three years) 30 Credits
- 10 Credits Modern World History
- 10 Credits US History
- 5 Credits Government and 5 Credits Economics
- 5. Visual and Performing Arts, World Language, CTE, or American Sign Language (one year) 10 Credits

6. Physical Education (Two years in grades 9-10) - 20 Credits

5 credits of PE 2 may be waived for any student athlete who participates in a full season of extracurricular athletics during the 9th grade year. A student athlete who participates in an additional full season of extracurricular athletics during their 10th grade year may waive the remaining 5 credits towards PE 2. This waiver process also includes students who participate in Marching Band during the 9th and 10th grade year. No more than 10 credits may be earned in non-physical education classes and applied toward the 20-unit physical education requirement. Non-physical education courses approved by the site in excess of the five credits will earn elective credit.

7. Ethnic/Gender Studies- Beginning with the graduating class of 2025, all students will be required to complete an approved course in Ethnic/Gender Studies for graduation.

8. Electives - 75 Credits

Beginning in the 2023-24 school year, Health will no longer be a graduation requirement. Mandated units of Health instruction (Comprehensive Sexual Health, HIV Prevention and LBGTQ Inclusiveness) will be provided in the 9th grade Physical Education course.

Starting with the Class of 2012, a maximum of 10 credits of any combination of teacher aide/student clerk may be applied towards completion of graduation requirements.

9. Total Minimum Credits Required - 220 Credits

Ninth, 10th, and 11th grade comprehensive high school students must be enrolled in a minimum of 60 credits (Six periods). Twelfth grade students in good academic standing and not credit deficient may be approved to take a reduced class schedule of a minimum of 40 credits (four periods) per school year.

Continuation High School and Alternative Education Differential Graduation Course Requirements

Beginning with the Class of 2011, students attending the continuation high school or other district alternative education programs must earn a minimum of 205 credits in the subjects listed below. Students earn five credits for each semester class passed with a grade "D" or better.

1. English (Four years) - 40 Credits

English 4 or other senior English course must be taken in the senior year.

English Requirement for English Learners: Effective with the Class of 2009, English Learners may earn a maximum of 30 English credits from English Language Development (ELD) and remediation courses. The remaining English credits must be earned from L2 or mainstream English courses.

Students taking intervention classes may earn a maximum of 20 credits in district approved intervention courses and must earn an additional 20 credits in Regular English classes.

2. Math (Two years) - 20 Credits

Must include 10 credits of Algebra or 20 credits of 2-year Algebra

At least one mathematics course, or a combination of the two mathematics courses required for completion in grades 9-12, shall meet or exceed state academic content standards for Algebra I. Students may satisfy the Algebra I course requirement prior to grade 9.

3. Science (Two years) - 20 Credits

10 credits of Physical Science and 10 Credits Biological Science

4. Social Studies (Three years) - 30 Credits

10 Credits Modern World History

10 Credits US History

5 Credits Government and 5 Credits Economics

- 5. Visual and Performing Arts, World Language, CTE, or American Sign Language (One year) 10 Credits
- 6. Physical Education (2 years in grades 9-10) 20 Credits

5 credits of PE 2 may be waived for any student athlete who participates in a full season of extracurricular athletics during the 9th grade year. A student athlete who participates in an additional full season of extracurricular athletics during their 10th grade year may waive the remaining 5 credits towards PE 2. This waiver process also includes students who participate in Marching Band during the 9th and 10th grade year. No more than 10 credits may be earned in non-physical education classes and applied toward the 20-unit physical education requirement. Non-physical education courses approved by the site in excess of the five credits will earn elective credit.

- 7. Ethnic/Gender Studies- Beginning with the graduating class of 2025, all students will be required to complete an approved course in Ethnic/Gender Studies for graduation.
- 8. Electives 60 Credits

9. Total Minimum Credits Required - 205

Credits Senior English Approved Courses

The following courses have been approved to fulfill the Senior English requirement in lieu of the student taking English 4. These courses must be taken in the student's senior year:

- 1. Agriculture Leadership & Communication
- 2. Communication Technology
- 3. Developmental Psychology of Children
- 4. Fashion Design
- 5. Introduction to Education
- 6. Music History
- 7. Theatre History
- 8. Technology Concepts for Communication
- 9. Professional Business Communication cd

Non-Graduating Seniors from the Class of 2010

The above revised diploma requirements do not apply to the non-graduating seniors from the Class of 2010. These students will still be required to fulfill the Class of 2010 course and diploma requirements. With administrative approval, these non-graduating seniors from the Class of 2010 may be permitted to continue for an additional senior year provided that they maintain continuous enrollment, minimum course loads of 40 credits (four periods) per school year, and satisfactory attendance.

Upon satisfactory progress and continuous enrollment throughout the first semester of this additional senior year, these students will be reclassified beginning with the start of the second semester of the 2010-2011 as students under the guidelines of the Class of 2011. These students will then be considered members of the Class of 2011 and therefore the Class of 2011 course and diploma requirements will apply.

Call to Order

Ms. Perez called the meeting to order at 5:18 p.m.

CLOSED SESSION PUBLIC COMMENTS

No public comments.

The meeting was adjourned to a closed session.

RECONVENE IN OPEN SESSION/ANNOUNCE CLOSED SESSION ACTIONS

Ms. Perez called the meeting to order at 6:35 p.m. Ms. Lopez led the Flag Salute.

It was announced Mr. Baskett was unable to join via teleconference as noted on the posted agenda.

Mr. Garcia announced the closed session actions. The Board unanimously approved both Certificated and Classified personnel actions. Student Matters were approved with updated stipulations.

REPORTS

Student Reports

Colin Fernandez/ERHS: Modernization projects are nearing completion. The ASTRA Club hosted a winter crafts event at the Orcutt Library. The Curriculum & Guidance Department hosted a Cash for College event at McKenzie Junior High.

Henry Valdez/PVHS: Several staff from the athletic department and student athletes were selected for awards. A few facilities upgrades and Spirit Week are coming up February 6th.

Olivia Curiel/SMHS: Not in attendance.

Andrew Limon/DHS: Delta held a holiday store for students at Element Church. They also welcomed new students for the new semester. The Robotics Team is preparing for a competition at Cal Poly.

Superintendent's Report

He thanked staff that has assisted with the evening Cash for College events for students and parents. The recent storms have been impactful; he thanked maintenance staff and Admin who oversaw school related duties while staff had to stay home. During the Winter Break, all three comprehensive sites offered an intermission for 9th grade Algebra to help struggling students pass their math course. Mr. Garcia thanked the staff that is preparing to visit the junior highs and start the registration process. Orenda has completed their report on the equity study and have started their reveal sessions with board members and leadership teams.

Board Member Reports

Ms. Perez: She welcomed everyone back and shared she plans to tour Fitzgerald Community School later this month.

Ms. Lopez: She encourages reaching out to those in need as the current storms have left families and students homeless. The Santa Barbara County Education Office will be putting on a webinar focused on youth opioid and the fentanyl epidemic. She recognized it is Martin Luther King Jr's birthday.

Dr. Garvin: He has inquired about defibrillators on school campuses in light of the professional football player who had a medical emergency on the field. He appreciates now having a road map to student success with the help of Orenda. Dr. Garvin thanked staff for keeping our school sites clean.

Mr. Aguilar: He looks forward to visiting the school sites and a few school and community events.

REPORTS FROM EMPLOYEE ORGANIZATIONS

Matt Provost: No report.

Stacy Newby: Many Righetti students were affected by the recent storms. Staff is collecting various items that will go directly to the affected students.

| BP 6146.1 | High School Graduation Requirements Revision completed to reflect the graduation requirements of SMJUHSD Board of Education Resolution Number 01-2020-21 and California AB 101, which require high school students to complete a course in Ethnic Studies prior to graduation. The revised BP 6146.1 includes: 1) The replacement of a Health course requirement with that of an |
| | Ethnic Studies course requirement 2) Increase from 5 to 10 credits that student athletes and marching band members can apply toward P.E. 2. |

| AR 6146.1 | High School Graduation Requirements |
| | The California School Board Association (CSBA) recommends deleting AR 6146.1, deeming the regulation as unnecessary with key concepts incorporated into Board Policy 6146.1 |

Mrs. Rotondi presented the regulations that prompted the updates including the District's Resolution Number 01-2020-21 and California AB 101. Health Education is not a state required course. The required Health components will be embedded in 9th grade Physical Education classes. Examples of student schedules were displayed referencing the proposed graduation requirements.

A Health course may be considered an elective if an A-G, year-long version is created. However, this would be a site decision, as building each site's course master board can be complicated.

<u>Proclamation declaring February 6-10, 2023 as National School Counseling and Guidance Week – Resolution Number 8-2022-2023</u>

Resource Person: John Davis, Assistant Superintendent of Curriculum

National School Counseling and Guidance Week will be celebrated February 6-10, 2023, to focus public attention on the unique contributions of professional school counseling and guidance staff members in our schools across the country. The National School Counseling and Guidance Week, sponsored by the American School Counseling Association (ASCA), highlights the tremendous impact school counselors and guidance staff can have in helping students achieve school success and plan for a career.

A motion was made by Dr. Garvin and seconded by Ms. Lopez to adopt Resolution 8-2022-2023 to declare February 6-10, 2023, as National School Counseling and Guidance Week. The motion passed with a roll call vote 4-0.

E. Facility Report - Appendix B

F. Obsolete Equipment – Appendix C

Education Code §17545 and 17546 allows the district to dispose of personal property belonging to the district that is unsatisfactory, no longer necessary (obsolete), or unsuitable for school use. The district administration is requesting authorization to dispose of obsolete items in compliance with government regulations. If an auction is warranted, the district will conduct an auction via the internet by and through its representative RT Auctions. Notices of items for sale at auction will be posted in no less than three public places within the District, including the District's website under Business Services/Facilities, Construction, and Purchasing: www.smjuhsd.org

G. Student Accountability Report Card (SARC)

The following school sites submitted their Student Accountability Report Card for Board approval:

- Righetti High School
- Delta High School
- Pioneer Valley High School
- Santa Maria High School

Since November 1988, state law has required all public schools receiving state funding, to prepare and distribute a School Accountability Report Card (SARC) by February 1st. The purpose of the report card is to provide parents and the community with important information about each public school. A SARC can be an effective way for a school to report on its progress in achieving goals. The public may also use a SARC to evaluate and compare schools on a variety of

indicators. SARC reports are available to view in each school's individual websites, district website, or a hard copy is available upon request.

After a SARC has been finalized and made public, an LEA may revise and republish it. You may access the latest version at: www.smjuhsd.org
