Title I Parent Compact 2026-2027

The goal of Franklin County Elementary School is to educate today's students for tomorrow's world. At FCES, we strive to build a strong community of students, parents, facility, staff, and community members who will work together with mutual trust and respect. As a part of this community, we will work together to create a safe, positive, and supportive learning environment. It is our responsibility to provide a strong educational foundation by nurturing, guiding, and challenging all our students to develop a love of learning and a sense of pride in all their achievements and accomplishments.

We believe:

- All students are capable of learning and achieving high standards. Students are expected to participate in the educational process.
- It is our responsibility to preserve and strengthen a curriculum that requires mastery of academic skills.
- It is our responsibility to provide instruction that targets the intellectual, emotional, social, and physical needs of young adolescents. Our students will have the opportunity to participate in a wide variety of enriching activities.
- It is our responsibility to offer engaging, challenging, appropriate electives.
- It is our responsibility to help students build confidence and self-reliance, empowering them to take intellectual and creative risks.
- Our FCES community is committed to building lifelong learners capable of participating in our global economy.

For our school to be successful, we need parents to commit to help us in this process. As a valuable member of our partnership, we are committed:

- To having open communication lines between home and school
- To coordinating parental involvement activities
- To providing a positive, safe learning environment
- To obtaining maximum use of instructional time to address grade level objectives
- To respecting the individuals and families that work with us at Franklin County Elementary School

As a valuable member of our partnership, we are asking you to commit:

- To insuring that your children attend school all day, every day and on time
- To insuring that your children are dressed appropriately, according to our dress code
- To assisting with homework and reading with your child every day
- To attending school functions and parent conferences
- To collaborating with teachers and school officials to insure your child's success in learning

As a valuable member of our partnership, we are asking our students to commit:

- To always doing his/her best work
- To attend school all day, every day, dressed appropriately, according to our dress code
- To display an appropriate attitude and good work ethic
- To do all assignments
- To follow the procedures and rules established by the Franklin County Elementary School

Franklin County School District

Acceptable Use Policy

Introduction

Franklin County School District has established a computer network and is pleased to offer Internet access for student use. This will allow students to have email accounts under certain conditions and will provide them with access to a variety of Internet resources. In order for students to use the Internet, students and their parents or guardians must first read and understand the following acceptable use policies. Franklin County School District makes every effort to comply with the Child Internet Protection Act, CIPA, through the use of filtering software from the Mississippi Department of Education and Border Manager, software installed at the local level. It should be noted that internet access is a privilege and not a right.

Acceptable Uses

1. The computer network at Franklin County School District has been set up in order to allow Internet access for educational purposes. This includes classroom activities, research activities, peer review of assigned work, and the exchange of project-related ideas, opinions, and questions via email, message boards, and other means.
2. Students will have access to the Internet via [classroom, library, lab, etc.] computers.
3. Student use of the Internet is contingent upon parent/guardian permission in the form of a signed copy of this Acceptable Use Policy. Parents/guardians may revoke approval at any time.
4. Material created and/or stored on the system is not guaranteed to be private. Network administrators may review the system from time to time to ensure that the system is being used properly. For this reason, students should expect that emails, material placed on personal Web pages, and other work that is created on the network may be viewed by a third party.
5. Network users must keep their passwords private. Accounts and/or passwords may not be shared.
6. Network users are expected to adhere to the safety guidelines listed below.

Unacceptable Uses

1. Using the network for any illegal activity, including violation of copyright or other contracts, or transmitting any material in violation of any U.S. or Mississippi regulation;
2. Unauthorized downloading of software, regardless of whether it is copyrighted or devirused
3. Downloading copyrighted material for other than personal use
4. Using the network for private financial or commercial gain
5. Tastefully using resources, such as file space
6. Gaining unauthorized access to resources or entities
7. Invading the privacy of individuals
8. Using another user's account or password
9. Posting material authored or created by another without his/her consent
10. Posting anonymous messages
11. Using the network for commercial or private advertising
12. Accessing, submitting, posting, publishing, or displaying any defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, harassing, or illegal material
13. Using the network while access privileges are suspended or revoked

Safety

The Franklin County School District incorporates Internet Safety into its curriculum which includes but not limited to;

1. The education of minors about appropriate online behavior, including interacting with other individuals on social networking sites and in chat
2. Cyberbullying awareness and response.

Safety Guidelines for Students

1. Never give out your last name, address, phone number or social security number.
2. Never give out the last name, address, phone number or social security number of another person.
3. Never agree to meet in person with anyone you have met online unless you first have the approval of a parent or guardian.
4. Notify an adult immediately if you receive a message that may be inappropriate or if you encounter any material that violates this Acceptable Use Policy.
5. Your parents should instruct you if there is additional material that they think would be inappropriate for you to access. Franklin County School District expects you to follow your parent's wishes in this matter.

Compensation: The student and/or the student's parent(s)/legal guardian(s) shall be responsible for compensating the district for any losses, cost or damages incurred by the school/district relating to or arising out of any student violation of this policy.

Violations: Consequences for the violation of the Franklin County School District Internet Use Agreement will be dealt with according to current disciplinary procedures in each building. However certain violations may warrant loss of internet use privilege. This will be determined by the building administrator. Violations of state and Federal law may be prosecuted to the fullest extent of the law. Violations of AUP agreement by faculty and staff may result in the loss of privilege of access or restricted access. This will be determined by a committee consisting of the Administrator, Superintendent, and technology coordinator.

Parent/Guardian Permission: I have read and understand the above information about appropriate use of the computer network at Franklin County School District and I understand that this form is a legally binding document and will be kept on file at the school. I give my child permission to access the network as outlined above. I also understand that my child's work (writing, drawings, etc.) may occasionally be published on the Internet and be accessible on a World Wide Web server.
