### Two High Schools in Houston County Win GHSA Cooperative Spirit Sportsmanship Award

HOUSTON COUNTY, GA – Warner Robins High School and Northside High School recently received the Georgia High School Association (GHSA) Cooperative Spirit Sportsmanship Award. Presented by Flint Energies, this award recognizes programs whose students, athletes, coaches, and spectators illustrate outstanding respect, fairness, honesty and responsibility before, during and after athletic competitions.

The awards have been presented by Georgia's Electric Membership Cooperatives (EMC), to include Flint Energies, since 2006. Cooperative

Spirit Sportsmanship Awards are presented annually to GHSA-member high schools in 56 regions and seven classifications. Warner Robins High is the winner in Class 5A, Region 1. Northside High School is the winner in Class 6A, Region 1.

“Every choice a person makes affects what happens down the road,” says Blair Brown, Cooperative Communications Specialist with Flint Energies. “Teaching student athletes about character and treating others with respect, even when it’s hard, instills a better attitude in these future leaders that won’t go unnoticed. We are so proud to recognize two of our local high schools, who teach and demonstrate these great qualities year-round.”
